THE TEMPERANCE AND GENERAL LIFE : ASSURANCE : COMPANY

Offers the most desirable policies farmers can possibly secure. Speaking of its ordinary life policy, a prominent agent of one of the largest and best of the American companies truthfully said: "It is the safest and fairest policy I have ever seen." Every farmer who can possibly get it, should protect his home by having one of these policies for such an amount as will save his family from em barrasment, in case of his premature death.
