Better Cheese
At Less Cost By Using WINDSOR SALT.

Windsor Cheese Salt is especially for cheese making. Dissolves slowly and evenly — improves the flavor — insures a firm, solid, smooth, rich cheese — that will keep.

Because it IS pure, Windsor Cheese Salt will salt more cheese than any other.

The Dain Hay Press
Is not made to sell at a low price.

We are constantly meeting people who have bought the "just as good" machine for less money. They are all sorry. The machines don't stand. The "just as good" can't give the capacity. The DAIN machine is convenient. Guaranteed to do from 10 to 12 tons per ten hour. One of our customers did 6 tons in 4 hours, and 24 tons in a day and a half. Pretty nearly a week's pressing with one of the "just as good" articles. We have an automatic tucker which makes smooth bales on top as well as bottom. No bunched, tufty bales come out of the DAIN. Full circle machine. Makes bales from 100 to 200 lbs. easily. Draft is light on team. Send for catalogue and prices.

We have lengthy lists of choice improved and wild lands in the Edmonton and Vermilion Valley districts that are rapidly rising in value with the advent of railways into Central Alberta. Many of these lands are situated near new C. N. R. town-sites. Money invested now will double in a few years.

We also handle city property extensively. The city is developing rapidly, but on a sound basis. Much property here has doubled in value within a year. It will likely do so again.
