

IF YOU WISH TO BE WELL YOU MUST KEEP THE BOWELS OPEN

Any irregularity of the bowels is always dangerous, and should be attended to at once. If the bowels cease to work properly, all the other organs become deranged.

Milburn's Laxa-Liver Pills work on the bowels gently and naturally, and will cure the worst cases of constipation.

Mrs. J. Hubbard, Port Colborne, Ont., writes:—"I have tried many remedies for constipation and never found anything so good as your Milburn's Laxa-Liver Pills. We always keep a vial in the house, for we would not be without them. I always recommend them to my friends."

Milburn's Laxa-Liver Pills are 25 cents per vial, or 5 vials for \$1.00, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

"Do you happen to be going far, sir?" said the inquisitive man to the other occupant of the railway carriage on the night express from London to Scotland. "Oh, no; only to Scotland!" replied the other sarcastically. "I am a commercial traveller. My age is thirty-eight. I am married. My name is Philip Tigson. I have a son eighteen years old. He is in the Civil Service. He gets about seven dollars a week. My father died last June. He was a stockbroker. My mother is still living. I have a cousin who has red hair. Our cook is called Mary. Anything else?" The inquisitive man hesitated. "What did your grandfather do for a living?" he inquired slowly.

GOSSIP.

Clydesdales were shipped from Glasgow for Canada the second week in August, by Wm. Smith and Fred Richardson & Son, Columbus, Ont.; Colony Farm, Coquitlam, B. C.; James Torrance, Markham, Ont., and Geo. Boyd, Owen Sound.

In another column in this issue appears the illustration of the Jersey bull, Ver-nal's Majesty—846—, a grandson of Golden Fern Lad, at the head of the herd of Ira Nichols, Woodstock, Ont. This herd won all the first premiums at five local fairs around Woodstock in 1911. Mr. Nichols intends holding a sale on October 17th next, at Simcoe, Ont. See later announcements.

Colonel Charles F. Mills, soldier, editor, live-stock publicist, and one of the leaders in the advancement of American live-stock interests, has been made chairman of the Advisory Committee of the Panama-Pacific International Exposition, at San Francisco, 1915. Colonel Mills was Chief of the Live-stock Department at St. Louis, and was Secretary of the Live-stock Show at the Chicago Exposition in 1893.

A contemporary says of the origin of our fruits that the strawberry is derived from a cross between the native strawberry of Virginia and that of Chile. The raspberry is native to temperate Europe and America, and certain parts of Asia. The apricot originated in China. The peach, too, was originally a Chinese fruit. The cherry's birthplace was near the Caspian Sea, and the plum comes from the Caucasus and Turkey. The pear is native in temperate Europe and Western Asia. The quince came from South-eastern Europe, the Caucasus, and the Caspian region. The apple is native all over Europe, in the Caucasus, round the Black Sea, and in Persia. The fig seems to have originated in the lands bordering on the Mediterranean, particularly in Syria. The red currant grows wild all over Europe, in the Caucasus, the Himalayas, Manchuria, Japan, and Arctic America. The sweet orange originated in Southern China and Cochinchina, and the citron in India.

An Irishman walking through a graveyard saw a tombstone on which was inscribed: "Here lies a lawyer and an honest man." "Bejabbers!" said Pat, "O wonder how they came to bury both in them fellers in wan grave?"
