

—Little five-year-old Gid had been to school wearing the kilt skirt common to boys of that age. Some of the larger scholars plagued him for wearing dresses. After the holiday vacation, he was sent to school in a complete boy's suit, of which he was quite proud. One of the girls wrote him a note, saying that he looked like a little man. In telling his mother about it, he said:

"Mamma, Hattie sent me a letter, telling me I looked like a little man, and I wrote her one and told her she looked like a daisy, only I couldn't spell daisy, so I spelled cat."

IMITATION is sometimes called the sincere form of flattery. This may account for the number of imitations of the original and only positive corn cure—Putnam's Painless Corn Extractor. All such fail to possess equal merit, so when purchasing get the genuine "Putnam's." Safe, sure and painless. All druggists.

A COMPLETE BREAKDOWN—"For ten years," says Jennie M. Harrett of Wallaceburg, Ont., "I did not see a well day—was all broken down with dyspepsia, liver complaint, catarrh and debility. Three doctors abandoned hope for me, when Burdock Blood Bitters came to my rescue. It is the best medicine I have ever taken. I say this for the benefit of all suffering as I did."

A GREAT AWAKENING.—There is a great awakening of the sluggish organs of the human system whenever Burdock Blood Bitters are taken. It arouses the torpid Liver to action, regulates the bowels and the Kidneys, purifies the blood, and restores a healthy tone to the system generally.
