THE COMPOUND INVESTMENT PLAN
Combines all the advantages of insurance and investment, and under it the Company guarantees after the policy has existed for ten years, if the insured so desires, to loan to him the annual premiums as they mature, thus enabling him to continue the policy in force to the end of the investment period. Should death occur after the tenth year the full face of the policy will be paid, and loan (if any) cancelled.

Bad Liver and Jaundice.

Was troubled for years with bad liver and became yellow with Jaundice. Heard about St. Leon Mineral Water, went to Springs and got entirely well. That is four years ago; have used the water ever since, and have the finest health I could desire—never enjoyed life more; also my skin has regained its natural color.
