SPRING 1891.

DEAR SIR,—

As the lengthening days and warmer sun remind us of the return of spring, we beg to call your attention to the fact that we have prepared for the coming season by purchasing such fabrics as will be most suitable and becoming for Spring and Summer dress.

The mere purchase of the fabrics, in itself, might be a comparatively easy matter, but to so manufacture them into garments—elegant and fashionable—is a work which requires practical knowledge, ability and great taste.

As to our success, past year speak louder than present words, and the future verdict is with you. We should deem it a pleasure to show you our choice stock of Imported Woollens, and to be entrusted with an order, which will receive our most careful attention.

Respectfully yours,

**Geo. Harcourt & Son.**
