January 20th, 1873.

This is to certify that my sister Julia, when at the point of death with what was pronounced by the first physician to have the black smallpox incurable.

In six hours after taking Doctor Loomer's Small Pox Cure the pain ceased, the swelling went down in the tongue and throat so she could speak; she had been blind for three days and speedily recovered.

My two children were taken with the same disease one not being vaccinated, they took the remedy when it first showed the spots on the face, and were not sick afterwards. The spots dried in two days without leaving one mark.

I was in the house all this time and took the remedy myself and did not take the disease. I believe it is a sure cure and preventative. I therefore recommend it to all.

A Country that has no Strikes

The Church Review says: - "New Zealand has done the most daring things ever attempted by any modern government. The New Zealanders claim that New Zealand is a country without strikes. Laborers and employers have their disputes there as elsewhere, but the one cannot quit work, or the other lock out workmen, pending a settlement of the dispute in courts. It is also a country without paupers or poorhouses, for injured workmen are cared for by their employers. The aged workman is pensioned by the Government as a soldier of industry worn out in the ranks. The Government owns not only the postal system, but the express service, the telegraph lines and the railroads. Recently it has purchased a coal mine to supply its locomotives with fuel, and it intends to compete with private mines in the sale of coal to the public far enough to keep the price of coal down to a reasonable figure."

There is not a pauper in New Zealand.

We think the above is deserving of publication in every one of the twenty thousand or more newspapers and magazines to which our paper goes each month.

The reported fanaticism of the Doukhobor colonists around Yorkton, and their abandonment of their live stock in pursuance of their belief that it is a sin to hold cattle or use any beast of burden to assist in their labor, has not only been confirmed, but the government itself has taken steps to save the Doukhobors from the consequences of their folly. Government agents have seized all the cattle, sheep and horses which were turned at large by their owners, and the live stock will be sold at auction and the proceeds used to provide for the Doukhobors during the winter.

There are several changes taking place in town. Mr T H Marshall Sr. has moved into the Mrs Weaver property on Commercial St north which he recently purchased. Mr J H Hall who recently sold his farm to Mr L Margeson of Waterville, has purchased and is about moving into the Marshall house vacated by Mrs T H Marshall Sr. Mr J H Potter is moving into the C C Dodge house purchased by him. Mrs Henry Parsons of Kingston will in a few days move into Centrefield Cottage purchased by her, and Mr G F Freeman will move next week into the Mrs Hennigar house now occupied by Mr J S Smith. Outlook.

After hearing evidence in an assault case between man and wife, in which the wife had had a deal of provocation, the magistrate, turning to the husband, remarked: "My good man, I really cannot do anything in this case. But she has cut a piece of my ear off, sir. Well, said the magistrate, I will bind her over to keep the peace. You can't shout the man; she's thrown it away. Prepared for the Season

Well, Jimmy, said the hard-hearted employer. I don't see how you will get out to any ball games this season, as your grandmother died four times last summer.

But, sir, answered Jimmy, grandpapa has married again, although it was such against the wishes of the family.

And still we wonder why men advanced at one swift leap from office boy to the head of the concern. Judge.

Two fishwives in London were talking about the Queen's Jubilee "E" wumman," said one to the other, "can you tell me what a jubilee is, for I hear a' the folks speaking about it?" "On ay," replied the other "I can tell ye that. Ye see when a man and wumman have been married for twenty-five years, that's a silver waddin'; and when they've been married for fifty years that's a golden waddin'; but when the man has de'd, that's a jubilee."

Lasts a Lifetime.

That is just what they say of Vapo-Cresolene. The vaporizer is practically indestructible, and the Cresolene is certainly not expensive. This way of treating affections of the throat is most economical, and it is also most effective. Our little picture illustrates how it's used. You put some Cresolene in the vaporizer, light lamp beneath, and then breathe in the soothing, healing vapor. For whooping-cough and croup it's a perfect specific.

Vapo-Cresolene is sold by druggists everywhere. A Vapo-Cresolene outfit, including the Vaporizer and Lamp, which should last a lifetime, and a bottle of Cresolene, complete, \$1.50; extra supplies of Cresolene, 25 cents and 50 cents. Illustrated booklet containing physicians' testimonials free upon request. Vapo-Cresolene Co., 250 Fulton St., New York, U.S.A.

The Story of Morning Tiredness

It is told by impure blood, poor digestion, sluggish liver and tired nerves. It is a warning of very serious trouble ahead, and should prompt sensible people to take a bracing tonic like Ferrozone, an energetic invigorant and re-builder. Ferrozone will give you a sharp appetite, promote good digestion and sound sleep; it will feed and energize the enfeebled organs, strengthen the nerve and vital forces and regulate the heart. Ferrozone changes that tired feeling into vigor, strength and ambition, and does it quickly. Remember the name, and insist on having only Ferrozone; it's the best tonic made. Price 50c. per box, or 6 boxes for \$2.50, at Druggists, or N. C. Polson & Co., Kingston, Ont. Hamilton's Pills Cure Constipation!

The three masted schooner, Glenrosa of Parrsboro went ashore on Barn Island Ledge off Portland on the morning of Sept. 20th, and will be a total loss. The crew of eight men were saved. The Glenrosa was valued at about \$15,000 by her owners. Peter S. Blase, of Parrsboro, N. S., and with her cargo and fittings the total loss is \$40,000. She was 457 tons net register, and was built in 1860, in Chatham, N. S. Being a topsail schooner, she was square rigged on the foretopmast. Captain G. O. Finley was in command.

A Sure Cure for Constipation.

Some remedies cure this distressing complaint in a day, some in a smooth but Nervine never fails to cure in a few minutes. Just ten drops of Nervine in sweetened water - that's enough and away goes the dysentery, cured to stay cured. Nervine also cures Cramps, Colic, Pain in the Stomach and Sick Headache. It has five times the strength and curative properties of ordinary remedies, and should be in every household. Better buy a 25c. bottle and try it. Nervine is all right.
