The Leading Specialists of America 20 Years in Detroit. 250,000 Cured.

WE CURE STRICTURE

Thousands of young and middle-aged men are troubled with this disease—many unconsciously. They may have a smarting sensation, small, trifling stream, sharp cutting pains at times, slight discharge, difficulty in commencing, weak erections, emission, and all the symptoms of nervous debility—they have STRICTURE. Don't let doctors experiment on you by cutting, stretching, or tearing you. This will not cure you, as it will return. Our NEW METHOD TREATMENT absorbs the stricture tissue; hence removes the stricture permanently. It can never return. No pain, no suffering, no detention from business by our method. The sexual organs are strengthened. The nerves are invigorated, and the bliss of manhood returns.

WE CURE GLEET

Thousands of young and middle-aged men are having their sexual vigor and vitality continually sapped by this disease. They are frequently unconscious of the cause of these symptoms. General Weakness, Unnatural Discharges, Failing Manhood, Nervousness, Poor Memory, Irritability, at times Smarting Sensation, Sunk Eyes, with dark circles, Weak Back, General Depression, Lack of Ambition, Varicocele, Struck Parts, etc. GLEET and STRICTURE may be the cause. Don't consult family doctors, as they have no experience in these special diseases—don't allow quacks to experiment on you. Consult Specialists, who have made a life study of Diseases of Men and Women. Our NEW METHOD TREATMENT will positively cure you. One thousand dollars for a case we accept for treatment and cannot cure. Terms moderate for cure.

CURES GUARANTEED

We treat and cure: EMISSIONS, VARICOCELE, SYPHILIS, GLEET, STRICTURE, IMPOTENCY, SECRET DRAINAGE, UNNATURAL DISCHARGES, KIDNEY and BLADDER Diseases, etc. CONSULTATION FREE. BOOK FREE. If unable to call, write for QUESTIONNAIRE. BLANK FOR HOME TREATMENT.

An Aged Visitor.

Last week the Reporter, as well as many of his friends in Athens, was favored with a visit by Mr. Richard Rowson, well-known throughout the country as the faithful guardian of the toll-gate at Unionville. Richard, who is still hale and hearty, was unusually loquacious and favored our whole staff with nuggets of wisdom gathered in the 84 years of his earthly pilgrimage. He touched on a variety of subjects, but politics and matrimony seemed to be uppermost in his mind.

With regard to the former, he said that a great many people made the mistake of going to extremes. He had known zealous party men to be drinking poor whiskey and fighting while the candidates themselves were hobnobbing together and imbibing champagne. He strongly counselled moderation, but thought a man's political views should be so pronounced that everyone would know just where they find him on polling day. For himself, he took the leading grit and tory papers, but kept them in separate pockets to prevent trouble.

When he struck the subject of matrimony, his voice was keyed to a superior tone, and he finally summed up the whole situation by declaring that he fully realized that he had made the mistake of his life in failing to obtain a partner to share his joys and sorrows and comfort him in his declining years. We suggested that it was not yet too late to arrange this little matter, and Richard smiled significantly and said, "Stranger things have happened."
