Milk Crust, Scalled Head, Tetter, Ringworm and Pimples

# COMPLETE TREATMENT

For Torturing, Disfiguring Humours, From Pimples to Scrofula, From Infancy to Age.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalled head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants, and anxiety of wornout parents, as in milk crust, tetter and salt rheum - all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Pills are such soap, Ointment and Fills are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures and humour remedies of the civilized world.

## AS A WURKING TOOL

for the student and the writer, as an authoritative reference book for schools, teachers, families, business and professional men, there is one book which offers superior advantages in the solid value of its information, and the ease with which it is obtained.

One's admiration for Webster's International Dictionary increases daily as it comes to be better known. It never refuses the information sought and it never overwhelms one with a mass of misinformation illogically arranged.

The St. James Gazette of London, England, says: For the teacher, the pupil, the student and the litterateur, there is nothing better; it covers everything.

The New and Enlarged Edition recently issucchas 25,000 new words and phrases, a com-pletely revised Biographical Dictionary and Gazetteer of the World, 2880 pages and 5000 illus: rations.

International Bible Lesson for Tonorrow-Joash Repairs the Temple-II. Kings, 12, 4-16.

Golden Text- We will not forsake he House of our God."

When men are concerned for the House of God it generally indicates spiritual life. In this lesson it is the nation being led to repair the wasted wreck into which the temple had fallen through years of sinful neglect of God and the worship of idols. The young king, under wise and godly advice, sought God and brought the people back to Him. They lament the shameful condition of the Temple. Wherever we see a place of prayer unkept, cobwebs, dust and muss, we may be sure the spirit life there is at pretty low ebb. God would have the meeting place, no matter how hum When men are concerned for the meeting place, no matter how hum-ble, kept in a manner worthy of Him. Neither snould we forsake the assembling of ourselves together as the manner of some is—at home or amidst the beauties of nature. It amidst the beauties of nature. Its sounds well to talk of studying God through Nature, but those who love Him in sincerity and in truth will be found with His people on the Lord's day, and at other times to wait unitedly on God.

## One Came Out After The Other.

Suffered with Boils for Six Months.

Mr. Elie Braizeau, Meadowside Station, Ont., tells of his experience with Boils and

Burdock Blood Bitters.

He says: - " In the Spring of 1889 I was continually troubled with boils-one coming after another for about six months. I suffered terribly, and was in a very bad condition. In August I got a bottle of Burdock Blood Bitters, and began to feel better after taking it. I kept on until I had used five bottles, and can truthfully say that I was cured, and have remained so ever since. I have not had the least sign of a boil."

There is nothing like Burdock Blood Bitters for bad blood, boils, pimples, dyspepsia, indigestion, or any trouble arising from the Stomach, Liver, Bowels or Blood.
