The tea that is found on the most aristocratic as well as the humblest tables is the tea that invigorates the tired brain of head and possesses the most delightful flavor and aroma in Union Blend Tea.

What about a cricket club for this summer? Last year a fairly successful attempt was made to revive this grand old game here and we hope to see it continued. But the summer is passing and a start should be made at once.

Mrs. (Dr.) DeWitt gave an address yesterday afternoon, to enable the ladies of our town to meet Mrs. Charles Archibald, of Halifax, who was present to address the young lady graduates on Tuesday evening. On Saturday evening an exhibition of Tissot's life like pictures of Christ is to be given in College Hall. Tissot's famous paintings, pronounced from the pulpit as "the greatest biography of Christ ever produced" have created intense interest and admiration in the art centres and in the principal cities of Europe and America. These pictures are to be given in magnificent colored stereoscopic reproductions on a canvas twenty feet square under a perfect light, and will no doubt be well worth seeing.

The sad news received last week of the death in India, of Lever, of the wife of Rev. J. H. Hardy, the deceased was formerly Miss Gaudie Williams, daughter of Rev. John Williams, until lately pastor of the Baptist church at Gaspereau. She left her October in company with Rev. George and Mrs. Churchill and was married to Mr. Hardy, missionary of the Maritime Baptists among the Telugu, on her arrival in India. The news of her death was heard with sincere sorrow by many warm friends here. Mr. Hardy who was formerly a student at Acadia, has the sympathy of a host of friends in Wolfville and vicinity.

Canadian Soldiers

WINNING THE ADMIRATION OF LORD ROBERTS.

Lord Roberts in his reports to the War Office has on more than one occasion alluded to the brilliant dashes of the Canadian Troops. "Bobs" evidently thinks the Canadians are the right sort of men for he keeps them right at the front with him and they are prominent factors in the successful march to Pretoria. The Canadian Boys seem to be in love with their great commander too for every letter from the boys shows the confidence they have in him and their determination to fight under him. Lord Roberts' tribute to the Canadian Soldiers has made him dear to the hearts of all Canadians for there are few who have not some friend, relative, or acquaintance, fighting with him. Bobs will get a great welcome if he should ever visit Canada.

Our readers will be glad of the opportunity to secure a really handsome portrait of the great general and we are glad to be able to present such an opportunity. The Family Herald and Weekly Star of Montreal have had painted by one of the World's best artists a truly handsome picture, acknowledged by Military authorities to be the most life like portrait of Lord Roberts yet produced. It is 17x22 inches on excellent paper. This picture should be in every Canadian home. In years to come it will be the pride of many a Canadian to say "My father fought under that man!" Canadian children now growing up will never forget "Bobs" the pride of the Nation. This picture is placed within the reach of all. They would sell at \$1.00 each in any store but we have made exceptionally favorable terms with the Family Herald by which all our readers can secure it. We offer the ACADIAN and the Family Herald and Weekly Star for the balance of 1900 including Lord Roberts' picture for the small sum of 90 cents. To our present subscribers whose subscriptions for the year are paid we offer the Family Herald for the balance of 1900 and Lord Roberts' picture for only 60c. If after receiving the picture subscribers do not like it worth more than the money paid for paper and picture they have the right to demand a refund of the amount. The offer is open for a limited time only.
