ed "Who will Venture?"

A lie has no legs." If that really be true, As the hearty old proverb pretends, Then how does it travel so quickly, say you? It is carried about by one's friends!

A blue jacket at Alexandria, in carrying out one of the multifarious duties which fell to Jack's lot during the Egyptian expedition, was assisting to remove some trustes of hay from the quay, and stumbling along under the weight of a small haystack, not being able to see small hay stack, not being able to see where he was going, pushed against a commissariat officer, irreproachably clad in review dress. "Who the devil are you, and what are you doing here?" says the gentlemen, "Who am I?" says Jack; well, I don't altogether know; I used to be a British sailor, but now, it strikes me, I'm turned into a commissariat mule!"

A Scotch minister once in the public service, played most earnestly that all good men and true might be permitted to see where he was going, pushed against a timay concen.
