**The Evening Chit-Chat**  
 By RUTH CAMERON

The other day I chanced to be in a certain business man's office, when the subject of a paper for a wedding present to one of his co-workers was brought around. He put his name down for two dollars—the largest amount subscribed. After we left the office, I spoke highly of his generosity. My companion happened to be an intimate friend of the family. Her lip curled. "Were you ever at his house?" she asked. "No." "You might feel differently if you had been." "What do you mean?" "I mean that instead of being generous he is one of the most selfish men living," she said. And then, in answer to my request for an explanation, she told me how, despite the fact that he had a fairly good salary, his poor little wife was always scrimp and pinched for money, never went anywhere, had to constantly be trying to make one dollar do the work of two or three, and hadn't a new gown for two years. And all the while he goes about lavishly letting money for little things dribble through his fingers and grandly playing the munificent gentleman. Such generosity is the rankest kind of selfishness. It's like stealing a blind man's pen-knives in order to make a big contribu-

**Fortune Telling**  
 Does not take into consideration the one essential to woman's happiness—womanly health. The woman who neglects her health is neglecting the very foundation of all good fortune. For without health love loses its lustre and gold is but dross. Womanly health when lost or impaired may generally be regained by the use of Dr. Pierce's Favorite Prescription. *This Prescription has, for over 30 years, been curing delicate, weak, pain-wracked women, by the hundreds of thousands and this too in the privacy of their homes without their having to submit to delicate examinations and offensive repugnant examinations.* Sick women are invited to consult Dr. Pierce by letter free. All correspondence held as sacredly confidential. Address World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y. Dr. Puzos's Great Family Doctor Book, The People's Common Sense Medical Adviser, newly revised up-to-date edition—1000 pages, answers in Plain English hosts of delicate questions which every woman, single or married, ought to know about. Sent free, in plain wrapper to any address on receipt of 31 one-cent stamps to cover mailing only, or in cloth binding for 50 stamps.

**Household Notes.**  
 Milk is better than eggs for moistening fish before rolling in crumbs.  
 Flannel and linen for blouses should be shrunk before the material is cut.  
 A level teaspoonful of salt will give flavor to a quart of soup, sauce or vegetables.  
 Flatirons will heat better on a gas stove if they are kept covered with a dishpan.  
 To apply any lotion to the scalp without making the hair wet use a medicine dropper.  
 Rice will absorb three times its measure of water and a larger quantity of milk or stock.  
 One cup of sugar will sweeten a quart of any mixture to be served chilled or frozen.  
 Fingers roughened by sewing should be well washed in warm water and then gently rubbed with pumice.

**When You Feel Cross**  
 And are worried and irritated you can get the liver right by using Dr. Chase's Kidney-Liver Pills. Life is too short to be cross and grouchy. You not only make yourself miserable, but also those about you. Don't blame others. Blame yourself for not keeping the liver right. There is nothing in the world which will more promptly afford you relief than Dr. Chase's Kidney and Liver Pills. This statement is true. A trial will convince you. Mr. Theo. Bedard, Lac aux Saibles, Portneuf County, Que., writes:—"I have found Dr. Chase's Kidney-Liver Pills the best treatment obtainable for indigestion and impure blood. They cured me of indigestion, from which I suffered for four years. A trial will convince you." "This certificate is given without solicitation, so that others may not waste their money buying medicines of no value when they can get Dr. Chase's Kidney-Liver Pills, which I am convinced are the best." Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents, at all dealers, or Edmondson, Bates & Co., Toronto.

 JOHN YACKSON, Resident Agent.

I know a working girl who gives unflinchingly her large salary to every charity, philanthropy and subscription list, yet doesn't contribute a cent to the sadly impoverished family treasury. I have often been displeased by a slightly different, yet basically identical, species of that generosity which lavishly gives away what belongs to other people. This is the hospitality of the man who is perpetually inviting guests to his home, despite the fact that his wife has no maid and finds the steady stream of company too heavy a tax on her slender vitality. The many who do not understand, admire this man for his ready hospitality and his cordial manner, and think his wife ungracious when she fails to second his invitations so eagerly. The few who understand realize that he is unwarrantably giving away her strength and time in order to win undeserved praise and liking for himself. There is one thing, I'd love to know about this matter: Do you suppose it's possible that these selfishly liberal folks really believe they are being fine and generous? I wonder.

**Fire Alarms Yesterday.**  
 Boys ran to the Central Station at 3:45 p.m. yesterday and reported a fire at Mr. H. Blatch's residence, Long's Hill. Taking a hose wagon, chemical engine and ladder truck the men responded, found the chimney blazing up and climbing to the roof quenched the blaze with a few buckets of water.  
 At 6 p.m. an alarm was turned in for a fire in the basement of the Bank of Montreal, bringing the Central and Western men quickly to the scene. A lot of billets left drying near the furnace ignited and set fire to some waste paper causing a flare up. A few buckets of water thrown on it by the firemen effectually quenched the flames.

**THE TEA PENALTY.**  
 A Strong Man's Experience.  
 Writing from a busy railroad town the wife of an employee of one of the great roads says: "My husband is a railroad man who has been so much benefited by the use of Postum that he wishes me to express his thanks to you for the good it has done him. His waking hours are taken up with his work, and he has no time to write himself. "He has been a great tea drinker all his life and has always liked it strong. "Ten has, of late years, acted on him like morphine does upon most people. At first it soothed him, but only for an hour or so, then it began to affect his nerves to such an extent that he could not sleep at night, and he would go to his work in the morning wretched and miserable from the loss of rest. This condition grew constantly worse, until his friends persuaded him to quit tea and use Postum. "At first he used Postum only for breakfast, but as he liked the taste of it, and it somehow seemed to do him good, he added it to his evening meal. Then, as he grew better, he began to drink it for his noon meal, and now he will drink nothing else at table. "His condition is so wonderfully improved that he could not be hired to give up Postum and go back to tea. His nerves have become steady and reliable once more, and his sleep is easy, natural and refreshing. "He owes all this to Postum for he has taken no medicine and made no other change in his diet. "His brother who was very nervous from coffee drinking, was persuaded by us to give up the coffee and use Postum and he also has recovered his health and strength." Name given by Canadian Postum Co., Windsor, Ont.
