**A Wonderful Help in Keeping the  
 Complexion Youthful and Clear.**

Perhaps you wonder how so many women manage to have a  
 complexion that is always fresh and clear, and how you can  
 make your complexion better. Here's the secret:—

**Nyal Face Cream**

This is the Vanishing Cream that softens the skin and gives  
 it that soft, velvety radiance that we all desire.  
 Nyal's Face Cream is not oily or greasy, and it is readily ab-  
 sorbed by the skin, vanishing without leaving any tell tale gloss  
 on skin. The skin welcomes this pleasant, soothing, cooling  
 cream. It makes dry, tight skin soft and pliable. It makes rough  
 skin firm and smooth, and gradually gives to coarse rough skin  
 a finer, more delicate texture.
