### Control of Shipping Order No. 1.

On the recommendation of the Minister of Shipping and under the authority of the War Measures Act, 1914, and Acts in amendment thereof and under Sec. 3, Cap 20, 8 & 9 Geo. V., entitled "The Departmental (Shipping Act), 1918, His Excellency the Governor in Council has been pleased to approve the following regulations regarding the control and regulation of shipping:

On and after this date

(1) The managing Owner or Agent of any vessel or steamer owned or registered in the Dominion of Newfoundland or of any vessel or steamer chartered in whole or part by or to any person residing or trading in the Dominion of Newfoundland before allowing it to proceed to any port or between any ports outside the Dominion, shall send a written notice of the proposed voyage to the Minister of Shipping at his office in the Court House, St. John's, between the hours of 10 a.m. and 4 p.m. on any week day, and shall at the same time submit a copy of the proposed charter party (if any) and the rates of freight for the voyage.

(2) The Minister reserves the right to approve or disapprove of said voyage, charter party, and rates of freight, or any of them, and to alter or vary same in whole or in part.

(3) No vessel or steamer as defined in Clause 1 hereof shall proceed upon a voyage to any foreign port or between foreign ports unless and until the owner or agent has received official notification of the approval of the Minister of Shipping.

(4) The Minister of Shipping may instruct the Department of Customs to refuse a clearance or entry to any vessel or steamer to or from any port in Newfoundland to or from any port or ports outside the Dominion; and may also instruct any collector to withdraw or cancel any such clearance or entry already given which in the opinion of the Minister of Shipping for any reason should or ought to be withdrawn or cancelled.

(5) Any Master of any vessel or steamer sailing without a clearance or whose clearance has been withdrawn shall be guilty of a breach of these regulations.

(6) Any person guilty of a breach of any of these regulations shall be liable to a penalty not exceeding \$5,000, or in default of imprisonment not exceeding six months, to be recovered and enforced in a summary manner before any Magistrate or Justice of the Peace, and such penalty shall be in addition to and not in substitution for any penalty to which any person may be subject under Section 8 of the War Measures Act, 1914.
