nual Garden Party at Tor's set down for next Sunday, h The train will leave St. 2.00 p.m., and returning, for's Cove about 11.30 p.m. A real then is given to fully day's outing and take in the scenery and natural beauty in which Tors' Cove surroundatry abounds—the most charm ry along the Southern Shore. mmittee have done everything and assure success. There he a large gathering from the nd nearby settlements along the and with this hope, preparations een made even on a larger han on preceeding years. Those ere present last year and others still retain happy memories visit, and year by year the increase in the outgoingeeking city throng; and no er for apart from material pleaseveryone knows that its object

laudable one. Parish is relatively small in of its many ecclesiastical buildbe kept in order and mainin conjunction with repairing renovating the surrounding property which needs conmatchfulness and improvement. can then easily understand the and reasonableness of the de-Pastor's appeal for outside and in those past few years of depression; through unusualfisheries,—and consequently great financial loss recently susd by him; if those many fine ldings are to be preserved from ay, which frequently is a costly equivalent to building anew as only of experience and carrying responsibilities well know.

ather Coady has for fourteen years solid and good work like many a outport priests in this country rardless of the ephemeral glare ublicity and popularity in the rent outport parishes he has conled since he left St. Patrick's where remittingly labored for four s before going on the extern misand this, not alone by close aton to the people's spiritual needs, missions, etc., as all who follow movements well know, but in the very important matter of rch and school upbuilding and rvision as witness St. Bride's, ail, Oderin, and Kilbride Parishes this he accomplished in spite of ather frail and delicate constituwhich is, nevertheless, ruled and lized by a dominant will and enetic personality. As in the past, so in the present, are his labors for on watched and appreciated, and many friends and admirers, not among his own flock, but among laity generally without distinction rally around him and ashim this year in his worthy aims: is expected that the coming Gar-Party will draw a large conree for the very object itself. Hunds go out to Tor's Cove annually its scenery and to breathe pure air as well as to ply the hock line for splendid speckled beautin its waters in close proximity

## settlement.

RICHES. I somet i m e s yearn for coin to burn, for all the brands of money: "this life." I think "with loads of chink, would certainly be sunny. Now down the road, to my abode, the wolf is drawing closer; and I must scheme and II MATON plan and dream how to pay the grocer. The rent

due and landlords two will soon and their dollars, and bailiffs bum shortly come, with other noxious The whole year round I lack pound, the kopeck and the shil-; I envy, then, the wealthy men to've made a princely killing." At dates with wealthy skates I and foregather, and hear them and groan with care until y're in a lather. The market slumps prace of jumps and millionaires are wing; the prices rise and wealthy 75 are busted by their soaring. For content the Croesus gent has all records broken, he gathers up the cup and every other token. I observe his weary curve, his beyond all telling, I'm reconcilbailiffs wild who drill around

## A Weary Job.

last the house painter had finishand the place shone fresh and ean in new paint.

ould you spare time to scrape off e paint from the window-panes?" ted the mistress of the house. Certainly, ma'am, if you can lend a coin," was the reply. ing nothing less than half-athe lady lent that. Half an r later the man returned her a m and thin sixpenny piece.

'n I gave you?" stammered the was," said the man, with en "but it's worn down a bit."
