FOODS THAT MAKE MEN STRONG.

The hardest work in the world is lumbering, for it means working at top speed from dawn till dark, and usually in intense frost. Lumberers live principally on beans baked with pork and flapjacks (a kind of pancake) eaten with maple syrup. They also eat quantities of steamed brown bread. It is a mistake to think that a lot of

A Clear, Beautiful Skin

There are millions of tiny openings or pores in the skin and these must be kept open and clean if the beauty of the skin is to be maintained.

Because it cleanses these pores and encourages the healthful action of the skin, Dr. Chase's Ointment is most effective as a skin beautifier. Roughness, redness, pimples and all sorts of skin blemishes disappear by its use, and the skin is left clear, smooth and valvety.
