## IN THE REALMS OF SPORT

### LAST NIGHT'S GAME.

Guards 3; Felldians 1.

The football game last night, between the Felldians and the Guards, had been awaited with interest, as both teams are strong aggregations and the result of their clash was pure conjecture. The Guards won by a margin of two goals and it must be conceded that this was due to the more effective measures they adopted throughout.

### First Half

The Felldians, with the wind and sun in their favor, pressed the Guards during the early part of the game, but were weak on the goal. After four minutes of play, however, J. Withers sent Joyce a beauty which, travelling low and with the speed of a shell, hit the boards behind the goalkeeper with a resounding whack. They were back again almost as soon as the ball was centred and the Guards defence were for some minutes hard put to it to keep them out. Several fine shots were made, one of which hit the crossbar, but it failed to materialize. Then came the Guards rally and Volsey, in the Felldian goal, and the backs, had a busy time. Again and again their attack was beaten back but eventually W. Halfyard, playing left half, sent in a shot which passed just under the crossbar and the score was equalized after twenty minutes of play.

### Second Half

The sun had for the most part disappeared and the wind had dropped slightly when the ball was again centred, and play opened with a strong attack by the Guards, but was repulsed, Morris and Dave putting up an able defence. In one of these attacks, which resulted in a melee round the goal, a foul was given against Volsey and matters looked serious. The free kick, however, bounded out of danger, and the close call seemed to awaken the Felldians, and from then to the finish they put far more fight into their play. Several times they made their way west, but to no effect. Ellis and Halfyard, the defence, were ready for all attacks and their forwards were equally on the alert to attack. About twenty minutes passed before any scoring took place, when Nelson Halfyard sent Volsey a slow one along the ground, which he misjudged and the Guards secured the lead. Just before the close a drop shot was sent down by Macklin and skimming the bar, landed safely in the net. No further scoring took place and the game ended as already stated.

### BELVEDERE GARDEN PARTY.

A meeting of the committee was held yesterday to arrange further for the garden party at Belvedere, on July 18th. The committee, both ladies and gentlemen, are leaving nothing undone to make this year's affair a signal success. Football fixtures for the Junior League are already drawn and some interesting games may be expected. Gold medals will be awarded the winning team. All that is required for a most successful outing now is the friendly influence of the weather man. Over two hundred children are housed at Belvedere and it means a lot to them in a financial way to have a successful garden party.

### TO-NIGHT'S FOOTBALL.

The C.L.B. and Star teams will try conclusions in the footer game at St. George's Field to-night. A good game is anticipated.

### ROSENBERG TO MEET SHEA IN TITLE GO.

Charley (Phil) Rosenberg, bantam-weight champion, will risk his title for the first time since he won it from Eddie (Cannonball) Martin, when he tangles with Eddie Shea of Chicago in the feature bout of a card arranged for July 15 for the benefit of the Hunt's Point Jewish Center Building Fund. The match will be staged in the New York Velodrome.

Low Raymond is promoting the match. Both fighters have posted \$2,500 in forfeit money. Rosenberg is to receive 37½ per cent. of the gate and Shea 12½ per cent.

### GREG IN TRAINING AT O'BRIEN'S GYM.

Harry Greb, middleweight champion of the world, who is to defend his title against Mickey Walker in a fifteen round bout which features the Italian Hospital Fund card at the Polo Grounds on July 2, arrived in town yesterday and immediately went into training at Philadelphia Jack O'Brien's Gym.

Harry confined his activities to a little handball, which by the way is his favorite pastime, but starting tomorrow he will be hard at it with three sparring partners. Greb intends to use Billy Britton, Cuddy DeMarco and Eddie Bittel. For the next few days Greb will work indoors, but next week it is likely that a ring will be erected on the top of O'Brien's gym, eight floors above the traffic maze of Broadway.

WILLS KNOCKED OUT WEINERT.  
In the boxing bouts at the New York Polo Grounds last night, Greb out-pointed Walker, Slade knocked out Slattery and Weinert was knocked out by Wills in the second round.

### Slightly Exaggerated

One of the recent batch of Florida stores had it that Brown, a former resident of Columbus, Ohio, had made

a killing in Florida real estate. He had cleaned up \$50,000 in three months at Miami, Florida, so the story went.

A former neighbor, hearing about it, became quite excited and hustled into Brown's brother's office and said, "By George, that's great about Bill making \$50,000 in Florida in three months. It's just great, now, isn't it?"

Brown's brother said, "It wasn't in Florida, 'twas in California and they got the story mixed just a little. It was three years and got threemonths."

"That doesn't make any difference," interrupted friend neighbor, full of enthusiasm, "By George he made the money!"

Brown's brother continued: "They also got the amount wrong. It was \$5,000 instead of \$50,000 and—and he didn't make it—he lost it!"—Forbes Magazine (N.Y.).
