several heads, interchangeable. With complete dresses and outfits for each.

## **Entirely different from** "Just Dolls"

### Introducing the "FAMLEE DOLLS"

Entirely different from the ordinary Dolls, they occupied the place of honour at the latest American Doll shows. An everevery play hour a new delight. Each character walks, talks and sleeps; non-breakable, 16 inches dress fashions Little tots with their own hands create their own characters at will, chang-ing from one to another to suit

Aside from their changeable feature there is no better Doll obtainable anywhere. Their costumes are excellent in workmanship and materials. Heads, arms and legs of the "Famlee Dolls" are made of the finest indestructible composition guaranteed against peeling or crack ing. Laced shoes and silk socks used on all these dolls. Cos-tumes are finished with snapfasteners or buttons and are so constructed that it is merely a matter of slipping on and slipping off to dress and undress.

3rd TIME.

THIS IS MY THIRD TIME OF ASKING. That my actions at the Council Board the first time, were appreciated, over eleven hundred people testified at the last election, and now at the request of a majority of those electors, I have again decided to comply with their request, and to ask you Ladies and Gentlemen voters, for a continuation of that confidence at the coming election. Should I again be elected, I will pledge myself to help carry out to the best of my ability, any sane scheme that will tend to the making this my native town a brighter, better and cleaner city, having due regard to the cost to those

who will have to pay for it. A word in season, however. Should those contem-lated improvements be carried out, I am convinced that extra taxation will have to be put on an already overtaxed people, for I am one with Mayor Cook who, a short time ago told the people that they cannot make
