out that while previous loans had been over-subscribed that on the last loan only 40,000 certificates were issued. The government wanted the people of the country to take advantage of it and for this reason the banks had been asked to refrain from subscribing. In the proportion of the last Liberty loan in the United States, Canada should have 400,000 subscribers to the Victory loan and in proportion to the last British loan over a million.

The meeting was presided over by Mrs. Kapp, president of the Local Council of Women, and later Mrs. Fred Langford and Mrs. R. R. Jamieson were appointed as the women's representatives on the Victory loan committee which has its office at the Palliser hotel. Mr. McQueen explained that these ladies would later be asked to appoint others to aid them as women would be wanted to all in the canvassing and all branches of the work during the next month.

I.O.D.E. Chapter Planning Record Day to Replenish Its War Funds

Splendid bargains coming on the close of the Harvest sale are being planned for Saturday's shopping at the Hudson's Bay store, when a percentage of total sales will be given to the Sir Richard Grenville chapter I.O.D.E. for its war work.
