## Pale and Weak Despondent People

Owe Their Condition to Weak, Watery Blood—How to Regain Strength

Every woman's health is peculiarly dependent upon the condition of her blood. Far too many women suffer with headaches, pains in the back, poor appetite, weak digestion, palpitation of the heart, a constant feeling of weariness, shortness of breath, pallor and nervousness. Of course all these symptoms may not be present in any particular case. They are merely a warning that the blood is out of order, and that it is thin and watery, and if you note any of these symptoms in your own case, you should lose no time in taking the proper steps to enrich and purify the blood. Anæmia—poverty of the blood—is a most insidious disease and if allowed to run will end in a complete breakdown of the system. Dr. Williams' Pink Pills are, beyond doubt, the greatest blood-making tonic offered the public to-day. For more than a quarter of a century they have been the stand-by of hundreds of thousands of people in all parts of the world. No other medicine has ever achieved such world-wide popularity, and the reason is that this medicine does what is claimed for it, enriches and purifies the blood, thus bringing new strength to every organ and every nerve in the body. In this way Dr. Williams' Pink Pills bring new health to weak, despondent men and women. Among the many who speak highly of this medicine is Mrs. Louis D. Larsh, Windsor, Ont., who says:—It would be impossible for me to recommend Dr. Williams' Pink Pills too highly. Some years ago I was very thin and pale; I suffered many of the symptoms of anæmia, and always felt tired, depressed and weak. I had tried several medicines, but they did not seem to help me. Then acting on the advice of a friend, I began taking Dr. Williams' Pink Pills. Before I had used half a dozen boxes I was actually feeling like a new person and had gained nine pounds in weight. I continued taking the pills until I had taken a dozen boxes, and from that time I have always enjoyed the best of health. I freely write you this letter in the hope that some woman in need as I was, will see it and be benefited as I have been.

Most of the troubles that affect mankind are due to impoverished blood, and will promptly disappear if the blood is built up and renewed. If you are ailing, give this greatest of tonic medicines a fair trial and it will not disappoint you. Dr. Williams' Pink Pills can be procured through any dealer in medicines, or will be sent by mail at 50c a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ontario.

## THAT CHANGE IN WOMAN'S LIFE

Mrs. Godden Tells How It May be Passed in Safety and Comfort.

Fremont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. Godden, 925 Napoleon St., Fremont, Ohio.

Such annoying symptoms as heat flashes, nervousness, headache, irritability and "the blues," may be speedily overcome and the system restored to normal conditions by this famous root and herb remedy Lydia E. Pinkham's Vegetable Compound.

If any complications present themselves write the Finkham Medicine Co., Lynn, Mass., for suggestions how to overcome them. The result of forty years experience is at your service and your letter held in strict confidence.

# GRAY DORT

## The Ultimate in Value

Motorists who come to the Gray Dort after having driven other cars, find in the end—whether they previously paid more or less—that the Gray Dort offers the highest value.

This is the direct result of the basic policy of our business—to build a fine light car, completely satisfying, sturdy, economical. That we are able to sell such a car at a low price is due entirely to the unequalled efficiency of our factory.

Undoubtedly, you too will come some day to

the Gray Dort as the ultimate in value. You will demand the speed, power, quietness of the Gray Dort motor; the roominess and comfort of the Gray Dort body; the standard equipment. You will not find these things at a lower price. You need not pay a higher.

The touring car is \$1245; the Gray Dort Special—the car with added refinements and extra equipment, is \$135 extra; there are also a coupe, and a sedan. All prices f. o. b. Chatham and are subject to change without notice.
