## **BYLAW NO. 4648**

To Grant the Right to Greene-Swift, Limited, to Lay and Maintain in Certain Streets in the City of London Pipes for the Conducting of Steam to Supply Heat to the Inhabitants of the Municipality.

Whereas Greene-Swift, Limited, have requested the Council of the Corporation of the City of London to grant the right to lay and maintain in that part of Carling street which lies between Ridout and Richmond streets; in that part of Queen's avenue which lies between Ridout and Richmond streets; in that part of Dundas which lies between Ridout and Richmond streets; in that part of Talbot street which lies between Fullarton and King streets; and that part of Ridout street, which lies between Fullarton and King streets. Tipes for the conducting of steam to supply heat to the linhabitants of the municipality, under the terms and conditions and for the period hereinafter mentioned.

And whereas by Section 8 of the

part of Tanot street which les between Fullarton and King streets; and that Fullarton and King streets; and that provided the street of the state of with the provisions of the said sections of the said Act.

Be it therefore enacted by the Municipal Council of the Corporation of the City of London as follows:

1.—Greene-Swift, Limited, may, subject to the terms and conditions contained in the agreement, a copy of which is hereto annexed, lay down pipes for the conducting of steam to supply heat to the inhabitants of the municipality and maintain the same under those portions of the following streets in the said city, that is to say: That part of Carling street which lies between Eidout street and Richmond street; that part of Queen's avenue which lies between Ridout and Richmond streets; that part of Dundas street which lies between Ridout and Richmond streets; that part of Talbot street which lies between Fullarton and King streets; and in that part of Ridout street which lies between Fullarton and King streets; and in that part of Ridout street which lies between Fullarton and King streets; for the term of twenty-one years from the final passing of this bylaw.

Passed in open Council this 19th day of January, A.D. 1914.

C. M. R. GRAHAM, Mayor.

C. M. R. GRAHAM, S. BAKER, Clerk.

This indenture made the 19th day of

This indenture made the 19th day of January, A.D. 1914,

Between:

GREENE-SWIFT, LIMITED,
Of the First Part,
—and—

THE CORPORATION OF THE CITY
OF LONDON

(hereinafter called the Corporation),
Of the Second Part,
Whereas the said Greene-Swift, Limited, situated on the corner of the same and the corporation for authority to lay pipes for the conducting of steam from the premises only of Greene-Swift, Limited, situated, shall not, during the term of this agreement, sell effective light or power to any person in the said City of London, and not from any other purpose; and the said city of the same at London, other than to the tenants and occupants of their said buildings.

11.—That the said Greene-Swift, Limited, situated on the corner of this agreement, sell effective light or power to any person in the said City of London, other than to the tenants and occupants of their said buildings.

11.—That the said Greene-Swift, Limited, shall cover with insulating tile packed with asbestos all pipes laid by them in the said streets under this agreement.

12.—That Greene-Swift, Limited, shall say to the Corporation on or before the 31st day of December in each year, after the passing of the said bylaw, and during the continuance or repair of the same.

10.—That the said pipes shall be used only for the purpose of conducting only for the purpose; and the said City of London, and not from the premises of the municipality, and not for any other purpose; and the said City of London, other than to the term of this agreement, the said City of London, other than to the term of this agreement, and the term of this agreement.

12.—That the said Greene-Swift, Limited, shall not, during the term of this agreement.

12.—That dreene-Swift, Limited, shall not, during the term of the said City of

in that part of Rudout Street which less between Fullarton and King streets, and the Corporation has agreed so far as it has the power to do so to grant such authority upon and subject to the conditions contained in this agreement Limited.

is proposed to be done.

2.—The said Greene-Swift, Limited,

shall not lay any pipe along any pertion of the said streets, but shall only cross the said streets under the surface thereof, at such depth or depths, and in such place or places as may be approved of by the City Engineer and the Council of by the City Engineer and the Council of the Corporation in writing, as hereinbefore provided.

3.—That the said Greene-Swift, Limited, shall perform all the work which they shall do in or under any of the said streets under the supervision and to the satisfaction of the City Engineer, and shall lay their pipes and do their work in the portions of the said streets in such manner and at such time or times and otherwise as the City Engineer may deem necessary or expedient in order to prevent unnecessary injury

order to prevent unnecessary injury the said streets or danger to the puband shall not in any way interfere with any sewer or drain, water, gas or other pipes which may be laid therein.

4.—That the said Greene-Swift, Limited, shall not break, dig up or keep open more of the said streets at any one time than the City Engineer shall deem it expedient to be so broken, dug up or opened at one time, and shall not
