## London, Ont., Monday, October 16. THE LITERATURE OF THE

HE LITERATURE of the war has portant sections on public library need hardly be said that the number of Every Nationalist elected in 1911 sits omforting those who have made their the cabinet.

here was a demand for the literature a matter of question, for today, insteady of the logical, the demand is for trenches and have there seen the wonder of modern warfare. Along with this, however, there is an equal deoperations, for such books as those of Hilaire Belloc, for instance, that analyze battles and show why things turned out as they did. Of the soldiers' narratives there are scores that have the real smell of battle about them, and there are some of these, crude in form though they may be, that will be the source books of future historians. Some of the best of these are translations from the ween the Lines" and "Action Front,"

oved, and a hearty, non-political coperation given Sir Wilfrid Laurier by the Nationalist cabinet members, when the Liberal leader made his appeals early in the war, Quebec would have produced at least 100,000 French-Canadian soldiers. It is not even now too late, if the somnolent administration can be induced to renounce its ally, Bourassa.

In the second place, the Government appointed a Methodist clergyman to olic Quebec. Figures standing high in the clergy, who were known to be heart and soul with the British cause were ignored at a time when they could have brought thousands to the colors. To appoint a Methodist preacher to organize recruiting in Quebec was as sensible as appointing a French priest to handle the situation

Responsibility for the failure of Quebec to respond is fastened upon the overnment, chained to Bourassa, and capable of almost irreparable blunders
