TIME EXTENDED ONE MONTH.
The cancellation of the Dominion Express Co's service over the Bras-Couleur and Transatlantic Division of the C.N.R. which was to have taken effect on March 31st, in the terms of the notice given the Dominion Express Co. by Acting Minister of Railways Hon. Geo. P. Graham, has been extended for another month.

COLD AT FREDERICTON.
That the official entry of spring is just a week ago has so far failed to provide the proverbial last straw to break the back of the winter that has just all but almost all of the "old time" winter in the shade, was empty demonstrated this morning when thermometers showed 12 below zero temperature in Fredericton and the Dominion Meteorological Station reported 11 below.

AUNTIE IS COMING.
W. F. Comeau, J.B.C.A. of Newcastle, N. B., Auditor for the Town of Campbellton, wishes to announce that he will be in Campbellton on Monday the second of April to attend to his regular quarterly audit of the Town Books, and will be in the place to attend to all of the "old time" winter in the shade, was empty demonstrated this morning when thermometers showed 12 below zero temperature in Fredericton and the Dominion Meteorological Station reported 11 below.

RINK RATS VS. ROVERS.
The fact that Campbellton has an abundance of junior hockey material is again proven by the appearance of the Rovers, another junior hockey squad which has some splendid athletic material in its line-up. The Rovers met the Rink Rats in an interesting game on Tuesday night and although they were defeated by a score of 2 to 1 this sextette showed a fine team of junior hockey and gave the speedy Rink Rats a hard fight for the honors. The hockey season is about over for this winter but next year's season is sure to be more eventful one than ever in Canada's national winter sport.

ROUGH DAYS.
Wednesday and today were as rough days as have been experienced this winter. The wind blew a gale from the north west and the thermometer registered 12 below Wednesday night. March is certainly going out like a lion.

USUAL SPRING SLAUGHTER.
A report from a reliable source has reached the Graphic that deer are being slaughtered at the headwaters of the Restigouche. The report says that poachers from Madawaska county have crossed over into little main river and the lakes in that district and have killed hundreds of deer.

CONVICTIONS FOR DEER SLAYING.
Chief Game Warden L. A. Gagnon has received notification of two additional convictions for deer slaying in Gloucester county. The cases were heard at Burnsville, convictions being secured in both instances and fines imposed. Several other cases of deer killing out of season are yet to be dealt with by the department this week.

EASTER CANTATA.
A fine Cantata, "A Morning in the Orient," was given by the choir of the Methodist Church on Sunday evening, March 25th. The subject of the Cantata was the story of Easter and the music, which is very beautiful was written by Adam Cabell, Mus. Doc. Each and every part was well done and the five soloists by Miss Gertrude Devereaux and Messrs. H. B. LeRoy, J. Cuthbertson, C. LeBlanc and J. B. Wallis are worthy of special mention.

KILLED A LYNX.
While feeding his stock one morning last week Thomas Young of Oak Bay Mills saw an animal crouching in the corner of a narrow passage way through which he was taking the feed. He attacked it with a pitch fork and succeeded in killing it when he found that it was a lynx. The animal had reached the barn through an open shed, where it had killed a duck and a couple of geese. When stretched out it measured nearly five feet from tip to tip. Mr. Young is to be congratulated in being able to dispatch it without injury to himself as these animals are not to be trifled with at close quarters.

GREEK CHRISTENING HERE.
The first Greek christening ever performed in Campbellton took place here Monday afternoon, when the lively, bright-eyed twin sons of Mr. and Mrs. Peter Pappadakis were baptized as George and John by the Rev. Father George, a Greek clergyman of Montreal, who came to Campbellton to perform the ceremony. Mr. George, of the Olympia Confectionery and his brother Peter, manager of the Princess who are the boys' uncles also took part in the ceremony acting as what is known as the "best men". The Greek baptismal ceremony does not differ much from that of other denominations except on one or two points. One of these is that the child in being christened is immersed in water and oil. The reading of the prescribed service by the officiating priest occupies about three-quarters of an hour so the ceremony is somewhat lengthy.

Little George and John Pappadakis who are about five months old are enjoying the best of health.

A Drunkard, a Fugitive From Justice
But He Saved a Thousand Lives
"THE NINETY AND NINE"
A Modern Parable of the Lost Sheep

THIS IS A SWEETLY POWERFUL, FICTITIOUSIZATION OF Ira D. Sankey's Universally known evangelistic song. It carries a tremendous appeal to every normal heart. It is spiritual, it is intensely human. It preaches a sermon of kindly tolerance, of loving kindness and faith. It also thunders a curse upon guests and Jehovah churchgoers whose religion is of the Sunday quality not to be used on weekdays. The whole Viagragh production throws a bright light on the Christian.

TOM SILVERTON—Sought for another's crime, hides in country village, habitual drunkard. Randomly vindicated.
WALTER BAXTER—Wanted by the law, who seeks to reform Silverton in spite of village gossip and father's threats.
COLLEEN MOORE—Lovers' hangover, puts New Mark.

LEON WILSON—Lovers' hangover, puts New Mark.
KATE VAN DYKE—Sweetheart of Silverton, who still loves him. New Loveridge's fiancée.
GEORGE ALDER

ARNER BLAKE—Unending orthodox devotion who listens to the gospel, and turns own daughter out.
ROBERT DUNDY—Village bar with innocently keeps the village pastor as to the village duties.
ARTHUR JAMMIE—The bright boy of the place, lends a helping arm to Silverton on occasions—his real friend.

MRS. ARAMANTHA MARKHAM—Vicious-tongued slanderer and gossip with a vivid imagination. Lots of them about nowadays.

I say unto you, that likewise ye shall be in heaven over one sinner that repenteth, more than over ninety and nine just persons, which need no repentance.
