to St. George's Ward appeals, and in this ward there have been greater reductions than in any others.

R. Y. Reidpath appealed on behalf of the Charles Kellogg Iron works, 74 Wellington-street west, and had the assessment against personal property reduced from \$7000 to \$2500. John K. Fairbairn, manager of Warden King & Sons, 32 Front-street west, had the assessment against the personalty of the firm reduced from S10,000 to \$2000. Thomas P. Pelin, manager of the Canada Railway News Co., appealed against the assessment of \$10,000 against personal property at 79 York-street, where only frames are stored. The assessment was reduced to \$4100. William Spink, late lessee of the fees of the Western Cattle Market, protested against being assessed for \$10,000 aponal property. "I pay the city \$15,500 and the city should be assessed, not me, said Mr. Spink. It was struck off. The assessment on the stock of the Carling Brewing Company was reduced from \$800 to \$4000 W. E. Belcher had the assessment against his property in York-street reduced by \$2600. The assessment against the Art school in King street, was reduced from \$6000 to \$4000. The assessment against the Art school in King street amounting to \$6601 was entirely removed, the assessment using contrary to statute. Rathoun & Co. were assessed for \$5000. They claimed that they did no business in the city, and were consequently relieved of the assessment. There is a mortgage of \$9000 against the Millichamp Manufacturing Co. Splant, and for that reason the assessment was reduced from \$10,000 fo \$1000. W. A. Lee & Son appealed against the assessment of properties in Fraser and Mowat-avenues and had a reduction of \$2 per foot made, amounting in all to \$6188.

THROW IT TO THE WINDS! Custom a Treacherous School-Mistress She Sends Thousands to the Grave Every Year!

"Custom is a violent and treacherous school-mistress," says Montaigne. school-mistress, says montaigne. She little by little, slyly and unperceived, slips in the foot of her authority; but having by this gentle and humble beginning, with the benefit of time, fixed and established it, she then unmasks a furious and tyrannic countenance, against which we have no more the courage or the power so much as to lift up

tenance, against which we have no more the courage or the power so much as to lift up our eyes."

Thousands of men and women, who ought to know themselves in sickness as well as in health, have surrendered to the dictates of custom of fashion as it is now called; and make yearly contracts with a physician for his services.

Intelligent men and women, who should be as able to do their own doctoring as they do their own eating and praying, must submit to the whims and dictation of medical men for the simplest aliments, just because it is fashionable or customary.

Custom has ordered that directly the slightest symptoms of disease are experienced, the subject must swallow just as many pills or powders as have been agreed upon by the faculty.

rescue of the nervous, the sheepiess, the Intable, the morose, the rheumatic, the morbid, and the dyspeptic. It has in thousands of cases proved its power over disease and suffering. It has given new life to suffering who were sinking into blank despair, and who had dosed for years from ordinary formulæ and prescriptions. Paine's Calery Compound is the great modern agent that is annihilating false customs, and breaking up old superstitions. It is nature itself working in nature; it is common sense and success opposed to dark and obscure Latin formulæ. Weak, nervous, overworked and used up opposed to dark and obscure Latin formulæ.

Weak, nervous, overworked and used up
men and women in all parts of Canada have
reason to bless the discoverer of this great
medicine. It is still within the reach of sufferers, and will assuredly bless he or she who
partakes of it.

Died on the Operating Table.

Detroot, Mich., Oct. 28.—Henry Anderson, 18 years old, of Comber, Ont., died on the operating table at Grace Hospital, this city, yesterday, while under the influence of chloroform, which had been administered for the number of performing an operation for the purpose of performing an operation to remove an abscess from his side. Ander-son has been afflicted with an abscess for

back, which my doctors failed to cure. I was so bad I went to Montreal and consulted the best doctors of that city. The latter pronounced it lumbago and told me to apply a piaster, which I did, and got worse all the time. I then applied St. Jacobs Oil and was much better next morning, and after another application was completely cured. I can highly recommend it as being the best medicine in existence. I can mention another case, a farmer, laid up for some time with sore back and could get nothing to relieve him. He came to my store, bent in two with pain. I persuaded him to try a bottle of the Oil, and told him if it did not cure him it should cost him nothing. A few days later he came in smiling. Two applications cured him. This is a man 60 years of age. I know of many such cases." nounced it lumbago and told me to apply a

Such complexions as so many of our young ladies possess—dull, pimply, and covered with sores and blackheads, is enough to cool the ardor of the warmest lover. To such young ladies we would say, that you can never have a soft, fair, smooth, attractive, kissable complexion, unless your blood is neathly and pure, for the condition—of the blood decides the complexion. Dr. Pierce's Golden Medical Discovery will purify your blood, tone up your system, and drive away those distressing headaches and backache, from which you suffer periodically, and give you a complexion a lily or rose-leaf might envy.

To Resume Operations. MONTREAL, Oct. 28.—The cotton mill owned by the Chambly Cotton Company, idle for the past two years, has been purchased by the Dominion Cotton syndicate and will resume operations in a fortnight.

No article takes hold of Blood Diseases like Northrop & Lyman's Vegetable Discovery. It works like magic. Miss O., Toronto, writes: I have to thank you for what Northrop & Lyman's Vegetable Discovery has done for me. I had a sore on my knee as large as the palm of my hand, and could get nothing to do any good until I used the Discovery. Four bottles completely oured it.

Turn the Rascals Out. We refer to such rascals as dyspepsia, bad blood, biliousness, constipation, sick headache, etc., injesting the human system. Turn them out and keep them out by using Burdock Blood Blitters, the natural foe to disease, which injegorates, tones and strengthens, the entire system.

Custom has ordered treatment and established formulæ for the cure of certain diseases that are directly contrary to the paws of nature, and at variance with ordinary common sense. Rigid adherence of the sick to custom is the means of sending to the dark and dismal tomb more humanity than any form of epidemic.

To-day we thank God that matters look brighter for the sick and afflicted. The slavish chains of custom have, to a large exteut, been sundered; and the bright light of heaven and of common-sense experience is now diffusing its welcome beams on our people who suffer.
