SYDNEY MAN TELLS HIS STORY.

Had Gas in Stomach, Was Constlpated, Bilious, and Had Dizzy Tells How Dreco Gave

Prompt relief is promised to those who suffer from a weakened, deranged stomach, sluggish liver, weak kidneys or constipated bowels, by the use of Dreco, the great herbal remedy. Since its introduction here, but a short time ago, many people have taken it and declare no medicine ever gave the results that Dreco has given. A recent signed statement follows

Mr. Dan McLeod, carpenter, 59 Ferry street, Sydney, N. S., says: "No other medicine has benefited me as Dreco has and I have only taken two bottles. "I have been doctoring for three

years for stomach trouble and Dreco has seemingly reached the seat of my troubles, where many other remedies have failed. I have been troubled with gas in my stomach after meals, heartburn and nausea. I fore my eyes. I was constinated and many times I had to leave my work and go home, suffering from severe headaches and acute spells of indi-

Constipation, stomach trouble, lazy liver, weak kidneys, rheumatism, catarrh and nervousness reported to yield to the healing powers of DRECO.

"Since my first bottle of Dreco, I have had no dizzy spells and my food digests much better. My bowels are regular and while I do not claim to be entirely cured. I have so greatly improved that I am confident of regaining my health by continuing this treatment, and I am glad to recommend it to my friends." MONCTON LADY SAYS

Overcame Constipation, Roused Her Sluggish Liver and Builf Up Her System In General. "This new medicine, Dreco, is

great and gets my hearty recommen dation," declared Mrs. Robert Cook, 82 High street, Moncton, N. B. "I have suffered for a long time with stomach trouble, sluggish liver, constipation, poor appetite, and general run-down condition of the system. I have tried numerous tonics and medicines, too numerous to mention, but none of them have done me any good.

"I had a talk with the Dreco expert, who advised me to try Dreco and it is the only medicine that has helped me. I strongly recommend it to anyone who is troubled as I was."

rheumatism and neuralgia during the past months; if dyspepsia had gnawed at your troubles and tortured you from day to day; if kidney and liver if poisoned and impure blood has shown its effect in boil, pimples, and skin eruptions; if sleeplessness and nervousness have made you miserable and despondent; if headaches sideaches and backaches give warn ing of approaching disorders; constipation, rheumatism, or stomach dis orders have you in their grasp. If you have tried everything under the sun to get relief and have failed don't you think it is time you gave Dreco a chance to lift you out of the slough of misery and set you again on the path of perfect health and the full enjoyment of life, which is every man's and woman's God-

Why not heed the advice of other Canadian citizens who have taken Dreco and declare in grateful letters that they now enjoy their old-time health, vigor and energy? Two such letters are published alongside. Read them, be convinced and start taking Dreco to-day.

Dreco is being specially introduced in London by Standard Drug, Limited. Call at their store at 168 Dundas street, near Richmond, and ask for Mrs. Sell, the Dreco Expert, and let her explain the merits of this great remedy.
