EXHIBITION OF 1851. It has been suggested that the crystal Palace should be thrown open at a law charge TWO WEEKS LATER FROM CALL during the Christmas holidays. Thise it is calculated, would yield a handsome amount More Gold arriving—The Cholera Disape maring. See See

Ar experienced naval architect of New of \$200,000,

The accounts state that the Cholera has almost disappeared from Sacramento, and that business there has consequently revived year. He has carte blanche from the gentle. The Mayor of Sacramento is dead.

The Mayor of Sacramento is dead. min to whom she will belong; and is so con-fident of rendering her the model of perfec-tion, which they wish for, that he contracts. The rains also give the miners in the dry dig-

tion, which they wish for, that he contracts to build her without charge if she do not prove to be faster than any one which may be brought forward in competition.

Classification of Anticlus.—The commissioners have adopted the principle of a ranging the productions of each country in distinct nations. One half, of the building will be of copied with the productions of the United Kingdom and its colonies and dependences, and the other by the productions of the United Kingdoms. The principle of exhibiting the artisless in 'nations' will not apply a search of the mountains of the productions of the United Kingdoms. The principle of exhibiting the artisless in 'nations' will not apply a search of the search of the mountains of the search of the productions of the United Kingdoms. Pope's Bull dividing the British dominions ject.

In Catholic districts or sees is under the secret management of the 'Propaganda Fide,' and is, therefore, extremely difficult to penetrate.

The Hon. Mr. Merritt has resigned his of the impression made, however, both on the like of Chief Commissioner of Public Works assisted by Col. D. Mowat & Joseph Walton Esq. as Attorney General. Notwithstand-leave according to the Globe his financial of the Roman street or great conjunction of the main street or great the secret of the mem.

LATEST FROM FREDERICTON:

We received a telegraph despatch last with the control of the mem.

We received a telegraph despatch last ounded as follows — Commencing at the south west corner of a lot formerly convey-nouncing the appointment of J. A. Street, as Attorney General. Notwithstand-leave according to the Globe his financial of the mem. Pope's Bull dividing the British dominions ject. The impression made, however, both on the clergy and the intellectual part of the Roman cliptors, is that the proper has been ill-advised, and that the part is precipitate and imprudent; the Pope has been ill-advised, with the active resignations, it is that the proper how the step that has been taken. Such is the alarm created in the body of the Sacred College at the anti-Catholic demonstrations in England, that the Roman Government and the service of the Sacred College at the anti-Catholic demonstrations in England, that the Roman Government and the service of the sacred College at the anti-Catholic demonstrations in England, that the Roman Government and the service of the sacred College at the anti-Catholic demonstrations in England, that the Roman Government and the service of the sacred College at the anti-Catholic demonstrations in England, that the Roman Government and the service in promoting the objects connected with Piedmont.

The usual loyal and the street of the main street or great ing the rumours affont relative to a number of the Government of the Government of the Government with the service of the government of the service of the sacred value of the

an agent in London, is constructing a mustical bed for the Exhibition of 1851. Directly the cocapaat of this bed presses, it, southing airs will be emitted; and thus lulled the may sink into the arms of sleep.

At the eleventh bour a royal decree has been issued appointing a commission to not.

See, but left 400 at Havanna, to go to New Orleans. The Crescent City was at Chabeen issued appointing a commission to not.

See, waiting gold dust; she had 430 passen. At the eleventh hour a royal decree has been issued appointing a commission to progress, waiting gold dust; she had 430 passent mote the transmission of Portuguese manufactures and products to the grand exposition of London. The question, however, remains, what upon earth they will send, the manufactures, of the country being so far behind those of almost all other nations.
