whether the course contemplated by the State would secure union of any kind, and as the State does not even recognize such a course, it is not possible for the financial difficulties which it would create.

And as we believe it possible and extremely desirous that such a State should be formulated as will not only secure the union of the Dominion, but also conserve the higher interests, without which organic life is worth nothing.

Therefore resolved, That we respectfully request the General Conference of our Church, whenever it may meet, to take the necessary steps to secure a full revision of the Constitution, and to have the same submitted to the consideration of the Synod of the Dominion, and to have the same submitted to the consideration of the Synod of the Dominion.

The above amendment was moved by Rev. J. A. Taylor, seconded by Rev. J. A. Taylor, and carried by a large majority. The amendment was then adopted by the General Conference.

The discussion was characterized by marked ability on both sides, and the result of the discussion was a full revision of the Constitution, and to have the same submitted to the consideration of the Synod of the Dominion, and to have the same submitted to the consideration of the Synod of the Dominion.

Scissors, N. Y., Dec. 4, 1879. I am the pastor of the Baptist Church here, and an educated physician. I am not in practice, but am a family physician, and advise in most chronic cases. Over a year ago I recommended your Bitter to my invalid wife, who has been under medical treatment of the most eminent physicians several years. She has become thoroughly cured of her various complicated diseases by their use. We both recommend them to our friends, many of whom have also been cured of their various ailments by their use.

Advise to Mothers. Are you distressed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of Dr. Williams' Bitter, and give it to your child. It will relieve the pain, and give the child a good night's sleep. It will also give the child a good appetite, and will give the child a good night's sleep.

Parson's Purifying Pills make new blood, and will completely change the blood in the entire system. In three weeks, the blood will be completely changed, and the system will be completely renewed. The pills will give the system a good night's sleep, and will give the system a good night's sleep.

Life is full of disappointment. We recently offered to cure a bad case of Rheumatism for a year's subscription in advance, but we were not able to do so. The patient was not able to pay for the subscription, and we were not able to cure the patient. The patient was not able to pay for the subscription, and we were not able to cure the patient.

Wanted! Wanted! 250 CORDS Hemlock Bark, for which the highest price will be given. For the highest price will be given. For the highest price will be given. For the highest price will be given. For the highest price will be given.

THE SUBSCRIBER also offers for sale at the LOWEST PRICES, 25 NICKLE, BRASS AND SILVER Harness, OF THE BEST MAKE AND MOUNTINGS, together with a Full Line of HARNESS FURNITURE.
