Cure for Worms.
B. A. FAHNESTOCK'S VERMIFUGE;
Prepared by
B. A. FAHNESTOCK & CO.
Pittsburgh, Pennsylvania.

THIS preparation has now stood the test of several years' trial, and is confidently recommended as a safe and effectual medicine for expelling worms from the system. The unexampled success that has attended its administration in every case where the patient was really afflicted with Worms, certainly renders it worthy the attention of physicians.

The proprietor has made it a point to ascertain the result of its use; in such cases as came within his knowledge and observation—and he invariably found it to produce the most salutary effects, not unfrequently after nearly all the ordinary preparations recommended for worms had been previously resorted to without any permanent advantage. This fact is attested by the certificates and statements of hundreds of respectable persons in different parts of the country, and should induce families always to keep a vial of the preparation in their possession. It is mild in its operation, and may be administered with perfect safety to the most delicate infant.

The genuine Vermifuge is now put up in one ounce vials, with this impression upon the glass, **FAHNESTOCK'S VERMIFUGE**, and the directions accompanying each vial have the signature of the proprietor; any medicine put in plain ounce vials, and the signature of which does not correspond with the above description, is not my genuine Vermifuge.

The Subscribers deem it their duty to use the above precautions in order to guard the public against mistaking other worm preparations for their deservedly popular Vermifuge.

We have appointed Mr C C Bristol, No 207 Main St Buffalo, N. Y. our Sole Agent for Western New York & Canada West. The medicine can be obtained there at our wholesale Pittsburgh prices. Terms Cash.

Children's Summer Complaint.
Specific Cordial.

Prepared and sold by Rev. Dr. Bartholomew for the wholesale dealers, Comstock & Co. N. Y.

MOTHERS should guard with their serious care the health of their children, and a little medicine always at hand in the house, may not only prevent immense pain and suffering to their tender offspring, but actually save their lives. What parents could ever forgive themselves, if for the want of a seasonable remedy they risked the life of their children, all remedies were too late. The complaints of the stomach and bowels of children progress with such rapidity, that unless checked at the start, they are not only hazardous, but almost always fatal. In country places this remedy may be taken with certainty to stop all such complaints, and save the expense of calling a physician, or if a physician is sent for from a distance, this medicine will assure the safety of the child till the physician arrives.

LET, THEREFORE, NO FAMILY be without this medicine always at hand in their houses. How would they feel to lose a dear child by neglecting it?

ADULTS will find this cordial as useful to them as children; and its being free from all injurious drugs, &c. will be sure to please as well as benefit. In all sicknesses at stomach and bowel complaints do not fail to employ carefully this cordial.

WILL YOU, WE ASK, risk your lives and those of your children by neglecting to keep this in your house, when it only costs TWENTY FIVE CENTS? We are sure all humane heads of families must supply themselves with this cordial without delay.

This medicine can be had at Bickle's Medical Hall; also at the Druggist shops of C. H. Webster and J. Winer Hamilton.
