STRIKING CURES.

WHICH WISHES TO THROW AWAY HIS CRUTCHES!

Read the following Extract of a Letter received from our Agent at Richmond, Dalhousie Dist:—

Richmond, 5th August, 1846.

Messrs. John Swain & Co.,—As Agent here, I beg leave to inform you, that in all cases where your invaluable Pills have been used in this vicinity, they have been productive of the most happy results: the relief afforded to individual suffering in various ways has been almost incredible; therefore I cannot pretend to give a detailed account of their various virtues; but at the same time I cannot forbear mentioning one particular case of a man, who, for some four or five months, was confined to his house, and most commonly to bed, and not able to reach the door of his dwelling, excepting by the use of Crutches, from the effects of inveterate running sores in both legs; yet, surprising to say, the Pills have entirely effected a cure, and the man is now able to work, and travel about his business, whole and sound; his name is William Lackey, residing in the Township of Goulbourne, in this District.

I remain, Gentlemen,
Yours with respect,
P. McELROY.

To J. Swain & Co.,

Edwardsburgh, January, 1847.

GENTLEMEN,—I have now great pleasure in handing you the annexed certificate, from my wife, which will speak for itself. Your General Agent, Mr. Wetherald, desired me to give him a certificate as soon as she was cured, but I refused to do so until she had remained well six months. That period has now elapsed, and I am happy to inform you that she has had no return of her complaint, but is in perfect health.

ABRAHAM WILSON.

CURE OF OLD-STANDING STOMACH COMPLAINT,

By Swain & Co's Hygiean Medicine, or Worsdell's Vegetable Pills.

To J. Swain & Co.

GENTLEMEN.—For sixteen or seventeen years I was afflicted with a Stomach Complaint, attended with distressing pain and general debility, and for the last two years of the time I was not expected to recover. At that time my husband was appointed Agent for the Sale of your Pills, when I determined to try them myself, and, by persevering in taking them every day, till I had used five boxes, I was perfectly cured, and have remained entirely well ever since.

I remain, Gentlemen, yours respectfully,
MARGARET WILSON.

REMARKABLE TESTIMONY.

Testimony of C. J. Forsyth, Esq., Wellington Square.

To J. Swain & Co.

Wellington Square, January, 1847.

GENTLEMEN,—I have been in the practice of using your Pills myself, and recommending them to others, and I have found them to be unequalled in their effects upon the human system; and I believe your Medicine is a safe and efficient remedy against those afflicting disorders to which mankind is subject.

I am yours very respectfully,
C. J. FORSYTH.

MARK THIS.

MRS. OLIVER, Wife of F. A. Oliver, Esq., Tyendinago, parted with a Tape Worm from 25 to 30 feet long, from the use of Swain & Co's Vegetable Restorative Pills.

J. WETHERALD.

WONDERFUL RESTORATION TO HEALTH.

Mr. AVERILL, of the Township of Brantford, farmer, was unable to work during the most of the summer; but, by taking the Restorative Pills for five days, he was so much better as to be enabled to perform a good day's work at cradling wheat.

CURE OF INFLUENZA.

Mr. B. Wiscup's Child was sick for three months, from Influenza, and was reduced to a skeleton, and all hopes of his recovery were given up. He was advised to take the Vegetable Restorative Pills, which soon effected a cure, and he is now enjoying good health.

CURE OF INFLAMMATION IN THE BOWELS.

Mr. W. H. SMITH, Toronto, was suddenly attacked with Inflammation in the Bowels; in this alarming state he took a few doses of the Vegetable Restorative Pills, and was perfectly cured in four days.

CURE OF LAKE FEVER.

Mr. W. R. Caythorn, of Bowmanville, had a very severe attack of Lake Fever; but after taking four boxes of the Restorative Pills, he was entirely cured.

Mr. Wetherald, General Agent for Kingston and surrounding country, writes as follows—

Messrs. Swain & Co., Gentlemen,—Annexed I give you three certificates. One is a very remarkable cure of a young man named Henry S—gh, son of Mr. S—gh, a man known far and wide, who lived in Smith Crosby, Johnstown District. While on my journey, seeing a very respectable house, called in and found his son sitting by the fire very ill; had not done anything for 18 months, and they had tried many means without effect—I left two boxes of pills—no cure no pay. I called again, on my last journey, and the old gentleman would have put me in his pocket if he could, he was so pleased. He said, those two boxes of pills have entirely cured my son, and as a proof of it, he yesterday emptied the sleigh of 112 bushels of wheat. His gratitude was unbounded, for he had lately lost one son and two daughters by consumption.

Joseph Cox, Esq., a good Old Methodist, who built a large chapel, and gave it to the Connexion, was very ill when I called. After taking two boxes of pills, his doctor, said another "would do for him." He however persevered, and when I called again he was taking the ninth box; and if ever your pills earned the title of "renovating" it was in this case, for he is indeed a new man, and daily attends to the business of his farm.

CURE OF AGUE AND FEVER.

Mr. Martin had two children severely effected with Ague and Fever, who were entirely cured by the use of the Restorative Pills.

CURE OF DUMB AGUE.

Mr. Slater's son suffered a long time from Dumb Ague; and was cured of that distressing complaint by taking six boxes of the Restorative Pills.

Mr. George Barnhart, of Tyendinago, had been attacked with violent Pleurisy, but after taking 10 pills each night and morning, for a week, was cured, and is now in perfect health and strength.
