THE GAZETTE is now Published by
the Montreal Printing and Publishing Company,
and no expense is spared to make it what it claims to
be—"The Journal of the Dominion of Canada."

It contains all the latest news by mail and telegraph.
It contains more reading matter than any other
daily paper in the Dominion.

It contains correspondence from all parts of the
world.

Read what other papers think about it. The Quebec
News says:—

The Montreal Gazette.—Our cotemporary comes to
us clothed in a new dress, and in a complete change
of typographical appearance. The proprietorship has
lately been merged into a joint-stock company, though
Messrs. Lowe & Chamberlin remain the leading
spirits of the enterprise. It is now, as it has been
all along, one of the ablest conducted sheets in the
Province, and is, without exception the only newspa-
per in the proper sense of the term, that we can boast
of. Its typographical appearance is really beautiful,
and the very large quantity of reading matter it con-
tains will make it most acceptable to its patrons. We
doubt, however, if Montreal has sufficiently advanced
in wealth and intelligence to make such an enterprise
a success. We have been anxious to try the experi-
ment all along but found it wouldn't pay. We wish
our cotemporary every prosperity, and hope it is the
beginning of a new era in Journalism in the Dominion.

The London Evening Advertiser is very nearly as
complimentary thus noticing The Gazette in its new
form:—

The Montreal Gazette appears in an entirely new
dress, and is, we think, the handsomest sheet in the
Dominion of Canada. As the type is small, though
sharp and distinct, a very large amount of reading
matter is given in each issue. Placard types are
eschewed, the advertisements being set up in a neat,
compressed style. The typography of the paper has a
thorough English appearance. We have often
thought of adopting a stringent rule with regard to
the hand-bill advertisements which disfigure news-
papers, and probably shall do so ere long. Where all
announcements are displayed in black letter, what ad-
vantage has one merchant over another? Where all
the advertisements are neatly and compressedly dis-
played, no person can complain, and the advertise-
ments are certain to be more widely read. The Ga-
zette is about the size of the Evening Advertiser,
which is another proof—if proof were needed—that a
superfluity of waste paper is no indication of influence
or status. The Gazette is published under the auspices
of a joint-stock company, numbering among its mem-
bers leading capitalists, literary men, heads of the me-
chanical departments, etc. The Gazette has long
been the leading paper of Montreal, and under the
present arrangements will take a first place among the
press of the Dominion. We wish our cotemporary
every success, and we hope its enterprise may prove
abundantly remunerative.

The Dundas Courier wishes success to the new en-
terprise in the following handsome terms:—

Montreal Gazette.—Quite a transformation has late-
ly taken place in the appearance and general conduct
of this well-known Journal. In the first place, the
hand-bill form of displaying advertisements is entirely
discarded, and the old country style adopted, of con-
densing them in the smallest space, and, at the same
time, so classifying them that they are much easier
found out. By this means more room is given for
general reading matter. In the second place, it is
published on the co-operative system, under the name
of the "Montreal Printing and Publishing Company."
The company comprises the firms of Lowe & Cham-
berlin, Longmoore & Co., together with "assistant
editors, reporters, the heads of the printing and press
departments, a number of literary men and a few
friends." By this combination the Gazette must be-
come a power in the new Dominion and will, in all
probability, prove to be in Canada what the Times is
in England, the leader of public opinion. In addition
to all these advantages, the price has been reduced to
a penny, and arrangements are to be such that the
paper can be had at all the principal points in the Do-
minion. To mail subscribers, the advance price of the
Daily has been reduced to \$6. The Gazette has always,
in dealing with public questions, taken a higher tone
than most other leading Journals in the Province, and
we doubt not that under the new order of things no
falling off in this respect need be feared. We wish
the new enterprise the greatest possible measure of
success.

These are only a few of the notices which have ap-
peared in the papers all over the British Provinces,
but may be taken as a sample of the others.
