

### CHICAGO MARKET.

MARKET  
AT ONE TIME HEAVY,  
CLOSES STRONGER.

CASH WHEAT ADVANCES  
ONE CENT.

CORN AND PROVISIONS DULL  
AND LOWER.

Chicago, August 9, 1898.

The only activity in the market to-day was in Sept. wheat; its quotations were within a narrow range but large business was transacted. At 1/4 off last night's close the first trade was made, from this price it sold down to 65 1/2, reacted to 66 1/2, and changed between this and 65 1/2, finally closing at 66 3/8 with the appearance of better prices for to-morrow.

Cash wheat opened down 1/4c but soon displayed strength and sold at 70 1/2, the last sale was at 70 1/4.

Dec. sold down 1c from last night's price but only loses 1/4c on the day.

Corn and Provisions were neglected and lose a fraction in price on the day. Pork closes at \$8 85 for Sept. and Lard \$5.22.

### CANADIAN PACIFIC RAILWAY.

To some the declaration of a 2 per cent. dividend for the half year, which was declared late yesterday afternoon, will be a great disappointment. This is hardly warranted, as the stock at 83 yields the investor over 4% on his outlay. Though earnings are decreasing weekly when compared with 1st year, they are still \$486,483.33 ahead of last year, from Jan. 1st to end of June. There is no reason for a decline of any extent on the above announcement. London shows a drop of under 1 per cent., but the list for American roads is also lower, so that no significance is attachable to this softness. Investors may buy Canadian Pacific with confidence, it has remained firm in the face of a big rate fight and is ready to advance materially on any good news.
