VITÆ-ORE

— IS A —

Wonderful Product of Nature!

Its results are marvellous wherever introduced. Thirty five testimonials were issued in St. John six weeks after it was first introduced. You need not take costly trips to Carlsbad or Saratoga. Buy a package of VITÆ-ORE and start a mineral spring in your own home. One package of VITÆ-ORE will make 800 gallons of the best mineral water on earth.

\$1.00 will pay for a package of Vitæ-Ore.

If you will cut this out and send it to me with that amount, I will send you one package and give thirty-five cents to Home Mission.
