COMMERCE.

Weekly Review of Montreal Wholesale Markets.

Nothing new has turned up since last writing and the market still continues to be active. Remittances are coming in rather freely and very few complaints are heard. DRY Goods. - The week of extremely fine summery weather since last writing has had its effect upon retail business, causing customers to defer buying of fall wear, but in wholesule circles there has been a continuation of the satisfactory trade noted for the

last several weaks. GROCERIES-If anything there is a further increase of activity to be noted in this line, Good orlers are reported from all sections,

lines. Shoe men are about through with to 22c; No. 1 China, 22c to 23c; No. 2, 21c grades, Sic to Sic. to 22c; do, Buffalo Sole, No. 1, 21 to 22c; do, 1, 26c to 27c; oak sole, 45c to 50c; Waxed Upper, light and medium, 33c to 39c; ditto, Russet Sheepskin Linings, 30c to 40c; Harness, 24c to 33c; Buffed Cow, 13c to 16c; Pebbled Cow, 12c to 151c; Rough, 13c to 28c;

New cod liver oil 70c, and good sweet oil at 60ა to 65c.

TORONTO WHOLESALE MARKETS. Businesss has shown no change of impor ance since last week.

FLOUR AND MEAL -Just about the same state of things exists this week as last. Only state of things exists this week as last. Only a moderate quantity has changed hands and values are easier, say for superior extra, \$3 50 to \$3.55; extra, \$3 40 to \$3.45; and spring wheat extra, \$3.15 to \$3.20. No outmeal is selling. Bran meets with a limited inquiry at \$9 50 to \$10.

GRAIN .- Prices of wheat are fully two cents lower than a week ago. The market is dull at the decline, receipts light, and transactions confined mostly to local mills. For fall we quote 72: to 73c for No. 1; for No. 2, 70: to 71c; and No. 3, 67c to 68c. The same figures will apply to the different grades of spring wheat. Barley is moving freely at 620 to 630; for No. 2, 542 to 550; No. 3, extra,

HIDES AND SKINS .- The market present

no new or interesting features. There continues to be a very fair demand for all hides offering. Calfekins are dull at previous quotations. Lambskins and pelts still bring 70c, but an advance is looked for by the 15th inst. Tailow keeps very well. HARDWARE, -All goods are firm at quota-

tions. Nearly all metals show a marked improment, and the feeling at present existing, both amongst the trade and commerce that higher prices will rule at no very distant date, has given additional strength to the market. Payments are said to be better than the average, and the mojority of the paper is met in full at maturity.

LIVÉ STOCK.

RECEIPTS AND EXPORTS OF LIVE STOCK.

The following were the receipts of live stock at Point St. Charles by the Grand Trunk Railway for the week ended October 18th :-- Cattle, 1,860; sheep, 2,692; calves, 34; hoge, 1,019. Exports of cattle to date were 55,533 head

—a decrease of 527 head from 1885. Exports of sheep to date were 72,413 head—an increase of 35,566 head over 1885. By these figures it will be noticed that the slight falling off in cattle is more than compensated for by the large increase in sheep. Cattle freights have ruled steady at 50s to 55s for regular boats, and outsiders have been taken 45s. At the cattle yards there was a fair supply of export cattle. Shippers were free buyers at firm prices. Sales were made at 3½c to 4½c, with some choice beoves at 4% per lb, live weight. Sheep have been in liberal supply, but under an active demand receipts were all cleared at 35 to 4c per lb. live weight. Butchers' cattle were in good demand at 32 to 42 per lb. Live hogs were in active request and firmer at 50 to 5 to per lb. Calves were scarce and firm at from \$4 to \$10 cach as to quality.

Holloway's Pills. - Indigestion. - How much thought has been bestowed, and what voluminous treatises have been written upou this universal and distressing disouse, which is with certainty and sulety dispelled with out tear of relapse by a course of this purifying, soothing and tonic medicine! It acts directly on the stomach, liver and bowels then indirectly, though no less effectively, on the brain, nerves, vessels, and glands, introducing such order throughout the entire system that harmony dwells between each organ and its functions. Dyspepsia need no longer be the bughear of the public, since Holloway's Pills are fully competent to subdue the most chronto and discressing cases of impaired Apples. - Winter varieties are commencing digestion, and to restore the miserable sufferer bathe in this river, and I am not here to come ic. Fall apples are selling slowly at | to health, strength, and cheoriulness.

Bolivian coffee is newly introduced into this market. The berry is large, lustrous and although of good flavor, is of surprising strength. Used as Mocha, Java or Rio coffees are, in infusions, it is so much richer in the active principle of coffee that its effects upon the nervous system are almost like delirium tremens. It promises to be of much use in mixing with weaker coffee or giving strength to adulterated mixtures.
