

# THE HEARTHSTONE.

## ANSWERS TO CORRESPONDENTS.

T. M. O. London.—Yes. The premium plate which accompanies the paper to each subscriber is entitled The Finding of the Saviour in the Temple. Outside measurement is 25 x 33 inches.

HATTIE L.—You do not send us the name of your post office. We always send the premium plates by return mail; we regret the accident to the one sent to you. We will always in such cases supply another on receiving a certificate from the postmaster of its being broken in transit.

T. H. H. Halifax.—You will obtain the information you desire by reading this page of our paper, on which you will observe that the time has been extended until the 31st Dec. next for clubbers to reap the benefit of the grand premiums offered.

M. S. Orellia.—The Family Record was engraved from a Pen and Ink Drawing by Professor Trumbull, and was presented to our readers as a premium for 1871. The premium engraving for 1872 is larger, far better and of more value.

G. S. Montreal.—You can commence your club at once. We keep the best of the plates; it is better to begin with the first No. for January as you then will have the volume complete. We do publish the book you name. The Harp of Canaan, and will forward one copy post paid on receipt of 85 cents.

GEORGE, Winnipeg.—To your first question, yes; to your second: All love is jealous, Love and Jealousy are merely two ends of a stick. If the stick be properly used with the jealous end down it is well; but if reversed then it acts like a chimney on fire.

JONAS STANBY.—Pleasure is only a change of pain. A man who has had the gout thinks he feels first rate when he gets down to rheumatism again.

MARION.—Cocoa nut oil when in the state as expressed from the nut, is so offensively rank in smell as to be unfit for use. It must be purified and is sold by perfumers generally. Will answer your other question next week.

INQUIRER.—The Trinity Service is inferior in rank to the Navy or to the late East India Company's service; but men of the highest naval rank may belong to the Trinity House. It superintends the pilotage, the customs, the lighthouses, buoys, beacons, &c., and has a jurisdiction over seamen in the Merchant Service, but not in the Navy, for then it would supersede the Admiralty.

GEORGE WILSON.—Changes of address: Subscribers should give us notice immediately after removing, stating their last residence, as well as the address to which they desire our paper sent.

Every one sending us a club of 5 Subscribers at \$2.00, will receive the HEARTHSTONE for one year, and the Presentation Plate, FREE.

All those obtaining prizes are entitled moreover to the HEARTHSTONE, for one year, free. The Sewing Machines above mentioned are all manufactured in Canada, by Messrs. C. W. Williams & Co., Montreal, (with whom a contract has been made for the delivery of as many of each machine as we may require); they are fully equal if not superior to the very finest machines of American manufacture, and represent a value nearly double of the figures above quoted, if the price of the American machines be taken as the standard. All who receive one of these machines will have entire satisfaction with it. The machines all sew with two threads, and do either the lock stitch, or the double loop-stitch, neither of which will rip.

Further, any person entitled to receive a Sewing Machine and desiring one of higher price, can have it by paying the difference to the manufacturers.

The Gold and Silver Watches offered as prizes are all first class and imported for us by a leading house in Montreal, (Messrs. Schwob Bros.) Each watch will be sent, post or express paid, in a neat case; the cases for the Gold Watches of high price being beautifully finished with inlaid woods.

Those who prefer to canvass for cash prizes, that is to say on commission, and compete at the same time for the Grand Premiums mentioned in the next list, may do so: Thus, any one having formed a club of 5 (and receiving in consequence the HEARTHSTONE free) may retain 25 cents out of every subscription collected, hence forward, and the remittance of the balance, \$1.75, will be counted as a full subscription in the competition. The club of 5 will also be included.

## THE FOLLOWING GRAND PREMIUMS

will be given IN ADDITION to the prizes and commissions above mentioned, to the most energetic and successful canvassers.

**FIRST GRAND PREMIUM.**—For the largest number of new subscribers sent by one person before the THIRTY-FIRST DECEMBER 1872.—BE THAT NUMBER WHAT IT MAY,—ALL HAVE A CHANCE: A Grand Square 7 octave Piano-Forte, rosewood case, rich mouldings, and of the finest tone.....Price, \$400.00

**SECOND GRAND PREMIUM.**—For the next largest number of subscribers sent by one person before the THIRTY-FIRST DECEMBER 1872: A Splendid 6 octave double-reed Parlor Organ, C Scale, in Solid Walnut Case, Sunk Panels, Richly Carved, No. 1 Ivory Front Keys, Music Closet, Four Stops, Bourdon, Melodia, Viola, Piccolo.....Price, \$155.00

**THIRD GRAND PREMIUM.**—For the next largest number of subscribers sent by one person before the THIRTY-FIRST DECEMBER 1872: A beautiful Single-Reed Parlor Organ, in Solid Walnut Case, Richly Carved, Sunk Panels, No 1 Ivory Front Keys, with Music Closets....Price, \$100.00

**FOURTH GRAND PREMIUM.**—For the next largest number of subscribers sent by one person before the THIRTY-FIRST DECEMBER 1872: A fine Single Reed Parlor Organ, in Solid Case, Sunk Panels, Elegantly Carved Ornaments, name-board finished in jet and gilt.... Price, \$65.00

It is evident that one person may, not only win a GRAND PREMIUM and ONE of the prizes on the first list, but SEVERAL of the latter; either by working for them successively, or by taking two or more prizes of less value, equivalent to the one represented by the number of subscriptions sent.

Those who prefer canvassing on CASH TERMS ONLY, and who do not wish to compete for the GRAND PREMIUMS, can take advantage of the club terms offered elsewhere. These offer more immediate profit, but exclude from obtaining prizes, or competing for the GRAND PREMIUMS. Subscriptions taken for the HEARTHSTONE 1871 and 1872 for three dollars, (including Trumbull's Family Record and the splendid Engraving given to every subscriber for 1872) will be counted as one and a half subscription, in the competition for the prizes and GRAND PREMIUMS.

Send in subscriptions as fast as obtained, so that parties may receive the paper at once. Give the correct name and address of every subscriber. Use Bank drafts, Post Office money orders, or register your letters when remitting; otherwise the money is at your risk.

All subscriptions will be reckoned from the 1st January, and the papers so sent, unless otherwise specified.

All who wish to canvass with greater speed and more success, should remit us \$1.00 for a copy of the Presentation Plate.

## NO ONE WHO SEES THE ENGRAVING CAN REFUSE TO SUBSCRIBE.

In fact, those who have the money should secure at once a number of the Presentation Plate, by sending as many dollars, so that while canvassing, they may close each transaction at once by leaving with the subscriber his copy of the engraving.

The money so received will be placed to your credit on account of your future subscribers, and you will have so much less to remit when sending the names.

Opposite the names of those to whom you have delivered the Presentation Plate, state the fact. Each competitor will state when first remitting, whether he or she prefers club terms, cash commission, or a prize; also indicate what prize is aimed at, so that as soon as the number of subscribers required is reached, the prize may be sent.

Watches will be sent by Express, or parcel post, prepaid. But the freight or express charges on sewing machines, or musical instruments from the factory to the residence of the winner, by the road and conveyance he will indicate, will be paid by him, and will be the only expense he will have to incur.

ALL THE ORGANS AND TISSUES of the body are constructed and nourished by the blood which holds in solution the material of which are made bone, muscle and nerve, and distributes to each its proper proportion. When these functions are deranged there will be Dyspepsia, the food will be imperfectly dissolved from insufficient gastric juice, the blood will become watery and deficient in fibrin the vital principle, and the whole system undergoes degeneration from protracted nutrition; a disease of the Liver, Kidneys, Heart and Lungs, with Nervous Prostration and General Debility result, and the constitution is broken down with Wasting Chronic Diseases. To enable the Stomach to digest food, and to supply the waste going on from mental and physical exertion, Dr. Williams' Compound Food and Nutritive Tonic is a reliable and permanent in its effects.
