ANNEXURE 20

DETAILS OF INVESTIGATIONS ORDERED AND THEIR RESULTS

(This should be read together with Chapters II and V).
Results of investigations ordered and their results.

Sl. No.	Party	Nature of complaint
1.	RLG	Alleged forced recruitment by Pathet Lao in the province of Luang Prabang and Xieng Khouang and Pakse area.

The three investigations ordered on these complaints showed the following:

a). **LUANG PRABANG:**

The allegations could not be investigated because the local Laotian National Army Commander and Royal Laotian Government and civil authorities failed to produce witnesses despite repeated efforts of the team.

b). **XIENG KHOUANG:**

- (i) Four persons belonging to Xieng Khouang province left their villages against their will in the company of People's Volunteers of Vietnam/Pathet Lao forces in July 1954, that is, before the Geneva Agreement came into force; whilst in Sam Neua according to the statements made, these men were given uniforms, ammunition and arms.
