Post Comments on Above Products/Species - Specifications:

1) Salmon: (Pacific)

- Frozen, mainly chum and pink.
- Primarily for further processing, smoking, raw-pickling ("gravlax"). Some volumes also sold frozen (whole or parts) for retail/catering sectors.

2) Eels:

- Gutted, frozen
- (Note new local veterinary regulations in force since August 1988 prescribe imported eels must be gutted).
- For smokeries.
