

7.3 In view of the achievements of Ibn Sina, known as Avicenne, and of his contribution to the progress of science and philosophy,

In view of the forthcoming celebration of the millenary of the philosopher and scientist,

The General Conference recommends to Member States that his works in Arabic and Persian be translated and disseminated in other languages.

7.4 The Director-General and the Executive Board are instructed in preparing the draft programme for 1950, so far as possible, to preface the programme for 1950 with a code of policies approved by previous sessions of the General Conference or recommended for adoption in 1950.
