

HOTEL PENNSYLVANIA
NEW YORK

Astoria, N.J.C. N.Y.
Sept 5/1930.

The Hon. President of McGill
University. Montreal, Canada.

Dear Doctor: I am trying again
to make you interested in
my application for a
teaching position in Scientific
Research. Experim. and
Bantin Laboratories -

It is really impossible to
get anything in N.Y.C.
without so called "big
political pull" and that
certain politics - are
of the most rotten type".
