Calgary Jan 5<sup>th</sup> 1927

My dear General

Calgary soldiers in general  
& the Alberta Military Institute  
in particular have set their hearts  
on having you with us for our  
ving dinner in April next, the  
10<sup>th</sup> anniversary.

please come if you possibly  
can,

There is more in the request  
than meets the eye <sup>every one</sup>  
here feels you have <sup>never</sup> received a  
real welcome & reception at  
Calgary & this will afford the  
opportunity to do the thing right,  
as western men say.

if you can make the  
grade Sir everyone will be  
proud & pleased & none more  
so than your old warhorse  
who pens these lines,

my respects & esteem to  
Lady Currie, please give my  
kindest regards & best wishes  
for 1927 to 1929.

may 1927 bring you the best ever  
I wish Sir yours sincerely  
Archibald Cameron Macdonell
