Sir Arthur W. Currie G.C.M.G., K.C.B.
McGill University
Montreal.

Dear Sir Arthur.

Enclosed please find a copy of our syllabus, from which you will find that on 19th Feby. Major James ^{M.} Macdonnell is opening a discussion before our Society on "Is it Desirable for Canadian Students to Continue their Education in ~~Europe~~" and knowing the personal interest you take in the subject, it is hoped ^{in British Universities} that you will reserve that evening and give your fellow members the pleasure of your company - and do not forget the pipe.

Might I also ask that you will cause to be placed on the Notice Boards an invitation to all Professors and Students to attend the meeting, and take part in the discussion which will follow the opening?

Thanking you in anticipation of a favourable reply at your convenience

Yours very faithfully.

Edmond T. Sayers
