Sir Robert Falconer, K.C.M.G.,
President, University of Toronto,
Toronto, Ont.

My dear Sir Robert:-

I am looking forward to seeing you on Monday next. I do not know what arrangements you have made but I should be glad if you would make my house your home while in Montreal, coming up to breakfast and luncheon if you so desire.

I know you are dining with the Young Men's Canadian Club at 6.15. That function will be over about eight o'clock and I would suggest that you come up to my house where we are having a meeting of the Montreal Branch of the Canadian Institute of International Affairs. I think you would be interested in meeting the Montreal group. We would see that you did not miss your train if you wished to get home that night. I am sorry I cannot attend the Young Men's function, but I have a meeting at five o'clock, which is likely to last until well after six.

With all kind wishes, I am,

Yours faithfully,

Principal.
