

above remarks of the Minister of Colonization will change his opinion.

As for the remarks that I made in the House of Assembly during the last Session, I do not fear any fair criticism, and I am quite ready to justify the stand, that I took on the occasion.

So that there might be no misunderstanding, I here produce a summarized report of certain parts of my remarks, which appeared in the Montreal Daily Herald of February 15th 1906.

Discussed in Provincial Legislature

In moving my resolution in regard to the colonization congress at St. Jérôme, I spoke in part as follows :

To-day we have the lumber merchant to deal with, and the settler at the same time. While in some cases they agree, still in many others they seem to be working in the opposite direction to one another. All this is caused by the fact that the limit holder and the settler are both allowed, once the settler takes a lot of
