DENTS LOST FIRST GAME TO VICTORIA

Toothpullers Found a Stumbling Block in the Husky Methodists.

Junior Arts found Junior Meds easy picking yesterday afternoon on the rear campus in a Mulock Cup game. The score was 14 to 4 in favor of Arts. Arts proved the stronger and increased their advantage at each quarter. In the first quarter Ramsay was pushed over for a safety touch, when he tried to run a long punt out while a field goal in the second quarter put Meds in the lead, but not for long, as Arts secured a try before half time. The score at half time, was 5 to 3 in favor of Arts. Arts negotiated another try in the third quarter and shut out the doctors. A field goal and a rouge helped swell the total, altho Meds kicked to the deadline once. The teams lined up as follows:

Junior Arts (14)—Flying wing, Ferguson; halves, Philpott, Drew, McLaren; quarter, Batton: scrimmage, Curran, Auld. H. Mardner: spare, Llister; wings, Taylor, Hopkins, Gibson, Gurofsky, Fryer, T. Ardner.

Junior Meds (4)—Flying wing, Wigle; halves, Blaney, Ramsay, Russell; quarter, McClinton; scrimmage, McKinley, Fretwell, Heppwell; wings, Hill. Sincial, Banting, Burns, Edmonds, Smith.

At Victoria College Campus yesterday afternoon in a Mulock Cup game Victoria College defeated Dents by the score of 7 to 3, after a nip and tuck struggle. It was essentially a punting duel between the two half lines, and the tooth-pullers succumbed. At half time the score was 5 to 3 in favor of Victoria, and only one rouge was scored by the Methodists in the last half, while Dents were whitewashed. It looks like Victoria would win the district, and that the champion Dents would have to be satisfied with second place. The teams lined up as follows:

RUGBY GOSSIP

It is said that George Awrey will be out with the Tigers this week and will play against Ottawa Saturday.
Wilson of the Tigers hurt his leg on the holiday and may not be able to play on Saturday. His bucking will seriously affect them.

Kew Beach Intermediates will turn out to practice on Thursday at 7.15.

When in Montreal officiating at the match between Varsity and McGille on Saturday, Ben Simpson, president of the Interprovincial Rugby Union, did not hesitate to discuss the residence rule, He stated that he was of the opinion that it should have been added to the constitution of the union long ago. The question was brought up at a meeting two years ago, and was opposed by some of the clubs on the grounds that they had a number of bank clerks on the team who could not get to their respective

resident rule included in the constitution next season.

The exhibition of Americal College Rugby at Ottawa on Friday did not make a hit. There was no punting of any account on the part of the Canton players, who devoted all their energy in line plunging or the forward pass. Hal. McGivrin compared the American game as played by St. Lawrence to basket-ball, and Tom Clancy said that it could not begin to compare f rom a spectacular standpoint with the Canadian football. The Ottawa Football Club will be minus the services of Jack Ryan, their great cutside wing, for the balance of the season, as the result of a sprained anlie which he sustained in the practice game against the St. Lawrence University team on Monday. Ryan was carried off in the third quarter, and doctors found him to be suffering from a badly sprained ankle, as well as torn ligaments. He was ordered to the hospital, where "Silver" Quility and Arthur Black have been treated since Saturday. They were hurt in Saturday's Argohaut game at Toronto. Quility has a sprained ankle, and Black two broken fingers. If all three should be forced to lay up, Ottawa's championship chances would be nil. Ryan was hurt in trying to break up an officide interference wedge; sent around his end by the American team.

In an exhibition game yesterday afternoon at Willowvale Park, Oekwood defeated U. T. S. seconds by the score of 7 to 6. It was a good fast game of rugby and both teams a sprained of their points in the processing the program of the West End Young Men's Christian Association weekly handicaps to be held in Wednes-days:

In an exhibition game yesterday aftermoon at Willowvale Park, Onlivood defeated U. T. S. seconds by the score of 7 to 6. It was a good fast game of rugby and both teams a splayed some real football in their attempts to make points. For the winners, Freestone and Elder were the best, and their all round work was very effective. Pepler was the shining light for U. T. S.

Ottawa Citizen: Smirle Lawson is the "popular guy" with the Ottawa players just now. He not only rushed out on the field and coached the Oarsmen in Saturdaly's match, but told Ed. Elliott before the match that he would "get his." With Martin Kilt on the side line Elliott has been made the "goat." Every time an opponent hits the ground they blame the Kingston boy.

THIS BLACK-CAT NO MASCOT,

In order to ensure Varsity's success on the Rugby field, Captain Maynard secured a splendid specimen of a black cat, which he calculated would banish the hoodowhich seemed to be hovering over the blue and white. Last season Jack declared a black cat ran across the field after the opening game with McGill, and that the Montrealers captured the feline and used it as a maseot. To back up his claims that it augured well, Maynard recalled that the Intercollegiate championship went to McGill. While walking down Yonge street one night recently, some members of the Rugby team espied a black cat, and after a chase they were successful in capturing it. It was forgotten to take the cat down to Montreal in order to act as the mascot at last Saturday's game, but Maynard sent an urgent phone message back to Toronto, in which he gave orders for the cat to be forwarded at all costs. The animal was duly crated and was sent to Montreal with all possible speed. All was in vain, however, for the blue and white went down to defeat, and the only way in which Red McKenzie can explain it is that the Montrealers had a mascot of their own.

THE M'GILL TEAM FOR KINGSTON MEET

Intercollegiate Championship Appears to Be Between Montreal and Toronto.

MONTREAL, Oct. 21 .- Quite a surrise was created in McGill athletic circles when the track club's choice of the men to represent McGill at the meet in Kingston on Thursday, was made known. Rumors of the selected team had been circulated, which proved to be incorrect. F. S. McKenzie, the president of the club, announced the following as the men chosen to make the trip:

Heron, Hillier, Legault, Dougall, Hovey, White, Crombie, Lowry, Pickard-Cambridge, Gerrie, Cushing, McKenzie, Klein, Lockhart, McDougall, Sutherland and Alberga. Cambridge, Cambridge, Chief, Lockhart, McDougall, Sutherland and Alberga.

McKenzie has not been in goed form lately and if he is not up to the mark he will not go down. It is not likely that any one will be substituted should he fail to go as the list of entries has been forwarded to Kingston as follows:

100 yards (two men to run)—Hillier, Heron, Legault.

220 yards (two men to run)—Fraser, Legault and Hiller.

220 yards—White and Hovey.

Harness Races Today At Hillcrest Park

Varsity-held a light signal practice on the front campus yesterday afternoon, but only a few of the regulars were out. Maynard superintended the workout. If R. M. C. beats McGill Saturday and Varsity beats Queens, there is a slight chance of Varsity making a run for the title.

Argonauts put in a light practice ambooted the ball around. They will get down to real work tonight for their game Saturday with Montreal at Montreal. They are not taking any chances, and while Ottawa and Tigers are battling at Hamilton, the Double Blue expect to have a nice game and return without any serious injury. Ottawa and Tigers have everal cripples now, and when they get thru Saturday there will be several more.

Parkdale hal about twelve men out last night and only a few are suffering from brwises. They will hold a regular practice tonight and Thursday, and are going in to beat their local rivals Saturday.

The trotting races at Hillcrest Park, postponed on access will be called. The second rate is 30 the unfinished 2.30 trot from Saturday will be called. The second rate is 30 the unfinished 2.30 trot from Saturday will be called. The second rate is 30 the unfinished 2.30 trot from Park,

It will take all the prowess of the McGill glants to pull out a victory when
they tackle the cadets in Kingston next
Saturday, is the opinion of local critics,
who made the journey with the team Saturday.

The champion English lady golfers the

The October meeting of the Ontario Curling Association was held yesterday at the Granite Club, with an attendance of about forty representative members, President J. W. Corcoran of Queen City in the chair. The notice of motion had been given by Tom Thauburn of Brampton with a view of shortening up the ends to sixteen in championship games, the author would go no farther than accord it academic support, and curlers must now soop thru eighteen ends, as usual. A few years ago it was twenty-one ends. The applications of the Agincourt Heather Club and Thornbury Curling Club for membership were received with favor.

Varsity Speedy Runner May Be Unable to Start

On account of his having contracted a heavy cold, it is doubtful as to whether Hal C. Campbell, Varsity's speedy runner, will be able to take part in the line tercollegiate meet which is being held at Kingston tomorrow. Campbell's muscles are very sore as a result of the cold, but as his lungs are not affected the track club officials are hopeful that he will be able to compete in tomorrow's games. He is accompanying the team to Kingston this morning and is confident of being able to run. If Campbell is kept out of the meet Varsity's changes of winning will be lessened considerably, as it was a certainty that the mile and the three miles would come in his direction. All the rest of the team are in perfect condition, and Coach Stafford figures that if Campbell is unable to compete Clark and Moore can be depended upon to run the mile well under 4.50. In that case, Clark will be competed to travel the three milestalone, as there were only two entries filed for this event. The team ict yesterday morning for Kingston.

Kid Lewis of London, is the new featherweight champion of England, he having secured the title by beating Alec Lambert at the National Sporting Club on Monday. Lewis gradually outpointed the ex-amateur for a dozen rounds, but then appeared to be tiring, so that Lambert's chance improved. Lewis recovered, however, and, getting in a clip to the jaw, dropped his rival in the sixteenth round. Lambert came up for the seventeenth, but being upset twice, his seconds threw up the sponge. Lewis is tall and sparely built and will probably find it difficult to remain in the featherweight class. Improvement may be expected and he may be matched with Owen Moran, when the latter returns from America.

PEORIA, Ill., Oct. 21.-Tying the score in the sixth with a sacrifice fly by Sam Crawford, the American League world tourists hammered out a victory over the National Leaguers here today in the eighth innings, by bunching a double, a single, a triple and two more singles, for three runs, which gave them the game, 6 to 4, the Giants pushing over one run in the ninth in a rally which fell short of the lead attained by their American

the hinth in a rally which fell short of the lead attained by their American League rivals.

Two thousand fans sat thru the hour and a half of play, braving the winter wind, which swept the sun-dazzled diamond, and cheering on the Chicage champions to a victory over the National League leaders.

Because of the cold, fans in the bleachers ripped loose the boards of the wooden structure and built small fires, around which they warmed themselves as the laseball players cavorted on the field.

Wiltse and Leverenz were the opposing pitchers, with the latter heaving wildly thruout the game, but holding the National Leaguers without a hit when the bases were occupied. Wiltse was found for a series of long swats, the White Sox counting nineteen bases on their total of ten hits.

Hal Chase, formerly of the New York Americans; Sam Crawford of the Detroit Tigers and Shortstop Weaver of the White Sox were the batting stars of the afternoon, Weaver hitting for a triple and double in four times up; Chase two doubles and a single in four trips to the plate, and the Detroit slugger hammering out two triples and a sacrifice fly in an equal number of times with the stick.

Umpire Klem passed judgment upon the balls and trikes for the game, with Umpire Sheridan ruling on the base decisions. A moving picture operator added spice to the daily performance by shooting the plays througt the game, Both managers allowed their nuriers to go the full route, despite the cold. The score:

Some Details of New Commission Made Public-First Deal.

OTTAWA, Oct. 21.-The first hockey deal under the new commission was put thru here last night when the Patricks traded Carroll Kendall for Skene Ronan. Some of the details of the hockey commission have been made public here, and the Patricks appear to have secured pretty much their own way. They have the right to draft one player from three N.H.A. clubs each season, and three clubs skipped one season having to give up a player the year following.

The first working out of this arrangement is responsible for the removal of Newsy Lalonde of the Canadians, Frank Nighbor of the Torontos, and Art Throop of the Tecumsehs. Next winter one player will be taken from the Wanderers, Quebec and Ottswa. The N.H.A. clubs have the power to absolutely reserve three players who will be immune from the draft. The Western League and the N.H.A. also have an arrangement whereby all players west of Port Arthur belong absolutely to the F.C.H.A., and players east of that point to the N.H.A.

Neither league can sign amateurs from the other's territory unless the player has been passed up by the league in whose province he resides.

Manager Percy Desueur of the Ottawas has a line of about a dozen new players for the locals, several of whom he declares will be second Fred Taylors. The Ottawas will present a very different line up this winter. Lesueur, Shore and Broadbent being about the only members of last year's team who will be retained. The locals are anxlous to sell Benedict and Darregh providing they are able to secure a good orice for them. ical under the new commission was pu
