Campaign.

FOR MOTOR AMBULANCE

Field Kitchen Also Will Be
Purchased With Money
Subscribed.

For the purpose of dividing the city into districts and appointing captains for each, an organization meeting was held last night by the Canadian Business Women's Club. This club is raising money for the purchase of an army motor ambulance and field kitchen for service at the front. It was felt that the city could be canvassed better for funds if districts were allotted to captains. Any business woman who is anxious to help in the work should get in touch with Miss Annie J. Menary, the president, at 114 1-2 Yonge street, phone Main 1150, when full particulars will be given her. Subscriptions can be sent direct to Miss Margaret Pennell, care of J. J. Gibbons, Limited, 119 West Wellington street.

Miss Pennell yesterday was asked by a domestic if domestic servants were included among self-supporting women, and her reply was that they were. Any woman who is working is invited to subscribe to the fund.

Circular letters and subscription blanks are being sent out to women who are assisting in the movement, of which the following is a sample:

Dear Co-Worker—At a recent meeting of the Canadian Business Women's Club, the opinion was voiced that the present was a most opportune time for the business women of Toronto, not only to demonstrate their patriotism, but also to render really practical and useful help in the great crisis which our empire is now passing.

After careful thought and discussion, it was felt that in no more fitting manner could this find expression than in raising a fund for the purchase and equipment (on behalf of the women wage-earners of Toronto) of an army motor ambulance and field kitchen for service at the front. The need for such is confessedly great, and if the business women of Toronto will put their shoulder to the wheel, we feel sure our object will be comparatively easy of attainment.

Every self-supporting woman is invited to contribute towards this motor ambulance and field kitchen fund, and in order to facilitate the collecting of subscriptions, we enclose a donation blank, upon which the name of the contributor may be entered, and which should be returned to the treasurer of the fund, Miss Margaret Pennell, care of J. J. Gibbons, Limited, 119 West Wellington street, telephone Adelaide 1900—house telephone Gerrard 712.

We will greatly appreciate your co-operation in putting this matter before the women and girls with whom you are associated in business, or who comprise your staff.

At a later date a mass meeting will be held and every self-supporting woman in the city is invited to be present to hear reports of the progress of the work and address the prominent speakers. The date of the meeting will be announced in the newspapers.

We count upon your interest and assistance.

Yours faithfully,
The Canadian Business Women's Club.
