CAFE STEADY IN MONTREAL

**Demand Was Good, But Supply
Was Ample—Quality of
Stock for Sale
Improves.**

MONTREAL, Aug. 26.—At the Montreal Stock Yards west end market the receipts of live stock for the week ending Aug. 24 were 200 cattle, 200 sheep and lambs, 200 hogs and 600 calves. The supply on the market this morning consisted of 500 cattle, 200 sheep and lambs, 100 hogs and 600 calves.

There was no great change in the condition of the market for cattle as compared with the week ending Aug. 20. The supply was ample to fill all requirements, and the quality of the stock coming forward is steadily improving, and especially the quality of the calves, which were in better shape than in the week ending Aug. 20.

The market for sheep and lambs was active, and the supply was ample to fill all requirements. The quality of the stock coming forward is steadily improving, and especially the quality of the lambs, which were in better shape than in the week ending Aug. 20.

The market for hogs was active, and the supply was ample to fill all requirements. The quality of the stock coming forward is steadily improving, and especially the quality of the hogs, which were in better shape than in the week ending Aug. 20.

The market for calves was active, and the supply was ample to fill all requirements. The quality of the stock coming forward is steadily improving, and especially the quality of the calves, which were in better shape than in the week ending Aug. 20.

Ontario Crop Statistics August Forecast

The following statistics of the principal field crops of Ontario for 1912 show the acreage as compiled from individual returns made by farmers to the Ontario Bureau of Statistics and the yields as estimated by a large and experienced staff of correspondents, who give probable yields according to conditions on August 10, 1912.

Wheat—759,588 acres will produce 14,885,495 bush, or 19.3 per acre, as against 87,482 acres, 17,926,536 bush, and 21.4 in 1911. The annual average for 30 years was 17,879,956 bush, and 21.0.

Spring wheat—123,080 acres, 2,310,571 bush, or 18.8 per acre, as against 132,711 acres, 2,255,554 bush, and 17.2 in 1911. Average 16.9.

Barley—647,382 acres, 13,935,480 bush, or 21.3 per acre, as against 618,977 acres, 16,248,129 bush, and 26.3 in 1911. Average 27.7.

Oats—2,601,735 acres, 96,115,119 bush, or 36.9 per acre, as against 2,698,280 acres, 94,529,238 bush, and 35.4 in 1911. Average 35.5.

Rye—105,848 acres, 1,861,575 bush, or 17.6 per acre, as against 98,853 acres, 1,624,129 bush, and 16.5 in 1911. Average 18.4.

Peas—221,224 acres, 4,108,583 bush, or 18.5 per acre, as against 204,491 acres, 4,462,132 bush, and 14.7 in 1911. Average 19.3.

Beans—69,708 acres, 1,203,430 bush, or 17.3 per acre, as against 61,508 acres, 926,213 bush, and 17.4 in 1911. Average 17.2.

Hay and Clover—1,774,410 acres, 4,760,502 tons, or 2.67 tons per acre, as against 1,701,468 acres, 4,388,282 tons, and 2.56 in 1911. Average 1.46. Area in 1911 included alfalfa.

The acreages in other crops for which no estimates as to yield have been made at this date are as follows: Corn 205,383, against 188,039 in 1911; corn for silage, 877,332 and 885,355; potatoes, 138,585 and 162,457; mangel-wurzels, 60,103 and 64,855; sugar beets, 21,064 and 24,664; carrots, 2,742 and 2,207; turnips, 101,520 and 100,649; mixed grains, 448,402 and 456,112; alfalfa, 138,369 (included in 1911 with hay and clover).

There are 1,063,671 acres of cleared land devoted to pasture, 278,317 in summer fallow, 310,096 in orchard, 24,699 in small fruits, 11,634 in vineyard, 56,716 in farm gardens, 44,830 in rapeseed, 9,125 in flax, 10,749 in tobacco (Essex 6683, Kent 3123).

CHICAGO GOSSIP
 J. P. Bickell & Co. from Logan & Bryan. There was enough bearish sentiment to weaken the market to 90c at low point for December, and 91c for May. More than the usual activity was noted in September wheat during the morning, a couple of houses selling a half-million bushels or more and buying a like quantity of May. A group of wire houses had buying orders to take their profit in September wheat. Trade again had strong temper and Berlin cables, based on wet weather abroad. Chicago grain decreased wheat stocks for the week. Minneapolis had a gain of 100,000 bushels, and last year, and far below normal for the season and the crop. First small increase of 100,000 bushels was noted in Minneapolis stocks. Cash wheat and flour advanced from that quarter are fairly firm. Winnipeg reported a gain of 100,000 bushels in Canadian Northwest wheat. Cash wheat sales here were 100,000 bushels. Trade was a little surly before the close.

LIVERPOOL GRAIN EXCHANGE
 LIVERPOOL, Aug. 26.—The market opened firm, bid to bid higher, and following the opening, there was a further advance of 1/4 to 1/2, with October lead. Shorts covered heavily, owing to the fact that the market was in the United Kingdom, with serious damage to quality, and the unfavorable weather in Europe. Markets were quiet, with an improved demand for nearby cargoes, and very few sellers. Corn opened bid lower, and later declined to 1/4, with resting on the larger place offerings and smart spot inquiry. Liverpool spot wheat opened strong, bid to bid higher, with Manitoba grades leading the advance. Corn quiet and all unchanged. Cargoes of wheat arrived off coast: 1. Cargoes of wheat arrived off coast: 1. Cargoes of wheat arrived off coast: 1.

EXPORT CATTLE AGAIN QUOTED

**Market Slow—Exporters 15c
to 25c Down—Choice
Butchers Steady—
Lambs Firmer.**

Receipts of live stock at the City and Union Stock Yards were 73 cars—109 cattle, 27 hogs, 654 sheep and lambs, 96 calves and 21 horses.

The sooner the drovers and buyers come to an understanding as regards the days on which the market is to be held, the better it will be for all concerned. The market certainly was not what it should have been by any means. One firm, the Harris Abattoir Company, was practically off the market, having only bought cattle, instead of four or five hundred.

The market was dull, slow and draggy, with exporters selling at from 15c to 25c per cwt. lower, and common, medium and heavy cattle, 10c to 15c per cwt. lower. The very choicest of the butchers' cattle held their own at about steady prices. At the close of the market there were all the way from 300 to 400 cattle unsold.

Exporters.
 Swift & Co. bought 223 export steers at \$6.75 to \$7 per cwt., but only one of one load could be figured. The next highest was \$6.50.

Butchers.
 Choice butchers, export weights, sold at \$6.25 to \$6.75; loads of good butchers, \$5.50 to \$6.00; medium, \$5 to \$5.50; heavy, \$4.50 to \$5; choice heavy cows, \$5.25 to \$5.50; good cows, \$4.50 to \$5; medium cows, \$4 to \$4.50; heavy cows, \$3.50 to \$4; canners, \$3.50 to \$4; light bulls, \$3.75 to \$4.50; heavy bulls, \$3 to \$3.50.

Feeders and Springers.
 There was a moderate delivery of milk and springers, sold at from \$4 to \$5 each, and one at \$5.

Veal Calves.
 There was a moderate delivery in quality and price of veal calves, selling at from \$3 to \$4 per cwt.; those selling at \$3 were choice, new milk, and those at \$4 were old milk.

Sheep and Lambs.
 Sheep, ewes, of light weight, sold at \$4 to \$4.50; heavy ewes, \$3 to \$4; lambs, \$2.75 to \$3.75.

Hogs.
 The buyers refused the hog market lower, at \$3.50 for select, fed and watered, but a few select were reported sold at \$3.50 to \$3.75.

Representative Sales.
 Rice & Whaley sold: Six carloads of exporters at \$5.75 to \$6.25; common, \$5.50 to \$6; choice, \$6.25 to \$6.75; one carload of medium butchers at \$5.75 to \$6.25; one carload of heavy cows at \$5.25 to \$5.75; one carload of medium cows at \$4.75 to \$5.25.

Choice Butchers.
 Choice butchers, export weights, sold at \$6.25 to \$6.75; loads of good butchers, \$5.50 to \$6.00; medium, \$5 to \$5.50; heavy, \$4.50 to \$5; choice heavy cows, \$5.25 to \$5.50; good cows, \$4.50 to \$5; medium cows, \$4 to \$4.50; heavy cows, \$3.50 to \$4; canners, \$3.50 to \$4; light bulls, \$3.75 to \$4.50; heavy bulls, \$3 to \$3.50.

Feeders and Springers.
 There was a moderate delivery of milk and springers, sold at from \$4 to \$5 each, and one at \$5.

Veal Calves.
 There was a moderate delivery in quality and price of veal calves, selling at from \$3 to \$4 per cwt.; those selling at \$3 were choice, new milk, and those at \$4 were old milk.
