# Man Is Naturally a Roamer!

Every one likes to look round. The man who bought his suit from us last year may go to some other house this season, and the man who bought at the other place will likely come here. No one house has an everlasting hold upon any man's money, and it's the constant shifting of trade that keeps the mighty dollar in circulation, and gives every man a chance to make a living. If it were not so, some one would get the monopoly.

We like the roaming man, he is generally good to us, because after he has been around and had a good look he is satisfied to stay with the house that makes good. We have a showing of men's and young men's suits for this Fall and Winter that are sure to please and hold your dollars here. From Ten to Thirty we show you lines that have real merit with fabrics and patterns exclusive with us. We never lose a customer through carelessness or inattention, and for an all-round clothing store catering to men and boys you'll find us hard to beat.

Rheumatism is caused by Uric Acid forming in the blood. This poison-ous material attacks the gristle covering the joints and muscles, and produces the intense pain. Uric acid is formed when the kidneys, bowels and skin fail to rid the system of waste matter. This waste matter, or urea, combines with the acid in the blood, to form uric acid. The only way that Rheumatism can be cured is to cure the acid condition of the stomach, and to purify the blood. "Fruit-a-tives" does this because it is the greatest stomach tonic and blood purifying medicine. "Fruit-a-tives" stimulates to renewed activity the liver, bowels, kidneys and skin. It removes urea and uric acid and cures Indigestion. Without exaggeration, it may be stated that "Fruit-a-tives" is the most scientific remedy in the world for Rhe tism. 50c a box, 6 for \$2.50, trial size 25c.
