

### GREAT DAY'S SPORT AT HUNT CLUB MEET

#### Summer Weather for Race Events at Northern Course on Saturday.

A very large and decidedly enthusiastic gathering witnessed the races of the autumn meeting of the Toronto Hunt Club on the Eglinton avenue course. The sporting element of Toronto was well represented. Hundreds of cars were parked in an adjoining field, while the men and women strolled around or stood in groups. Some of the ladies sweated in their sun hats, while others were in gay summer clothing. The latter were by far the most comfortable, for the rays of the sun were very hot, and there was scarcely a breeze stirring. The band of the Governor-General's Bodyguard, which accompanied the hunt club in their "pink" coats gave a picturesque touch to the scene which transported one back to days of Dickens.

### Sir Barton in Form; Won Laurel Feature

Laurel Park, Md., Oct. 4.—Commander J. E. L. Ross' grand three-year-old, Sir Barton, ran probably the best race of his career at Laurel Park this afternoon, when he won the Maryland Handicap, a dash of a mile and a quarter, for three-year-olds. Sir Barton carried 133 pounds and covered the distance in 1:23 2-5. Lottus handled the colt with splendid judgment, avoiding the terrific early pace and waiting until entering the homestretch before making his effort. In the stretch Sir Barton went to the leaders with a rush and at the finish was going away. This was the fourth \$10,000 stake that the Ross horses have won in Maryland this fall.

The handicap was the outstanding feature of a more than usually interesting Saturday program of seven events, which brought out some of the top-notch horses quartered at the track. A large crowd was in attendance and the sport was clean-cut and exciting. One of the popular victories of the day was scored by Crank, in the third, a handicap at three-quarters of a mile. The Colt was sold by given substantial support and easily justified the confidence of his backers.

New York, Oct. 4.—The national motorcycle championship races scheduled for the Sheepshead speedway here today, were postponed until Oct. 11 owing to the wet track, which made competition at high speed dangerous.

**VETERAN GEERS UP ON STAKE WINNER**

Lexington, Ky., Oct. 4.—Racing was continued today over a track somewhat heavy from the rain of this morning, making fast time impossible.

In the first race Zonidotte won in straight heats.

The second event was easy for Baroness Edgewood.

The Kentucky Stake, the oldest of all events for trotters, of that age, having been founded in 1875, saw Molly Knight favorite, with the veteran Ed Geers in the sulky. The mare won the first heat with something to spare, after Abbie Putney, the second choice, made a mill break on the first turn. The second heat was a repetition of the first, Abbie Putney breaking on the turn, but in the stretch she over-hauled the field and forced Molly Knight to a drive to win by a head. Summary:
