JANUARY 21 1902

WASING THE CITY'S MONEY Price is a great drawing card, but

appreciated let the sum paid to the Electric Light Company for eight months last year be taken, amounting to \$1537.75. The cost of producing the power with the City Hall plant for six winter months and two summer months would be \$360.66, showing a saving in eight months of \$1172.09, while for the full year this would be increased to

full year this would be increased t \$1443.90.

Thinks Dixon Should Resign.

Thinks Dixon Should Resign. The report of Engineer Rust made Ald. Dunn very indignant. He accused Engineer Dixon of incapacity. "I know I am making many enemies in doing so, but I would suggest that Mr. Dixor be asked to send in his resignation a croce "

Extravagant Method of Lighting Up ers demand quality.

the City Hall Reported By

Engineer Rust.

HOUSANDS SHOULD BE SAVED

City Could Make Light With Its

Own Plant Cheaper Than It

Economy has not been the most

prominent feature in lighting the City

Hall, as will be surmised by the re-

port of Engineer Rust, which appears elow. Surprise was expressed when

City Hall Engineer Dixon, after a long

and extensive test, came to the conclu-

er from the Toronto Electric Light

Can Purchase.

quality is better. Modern tea drink-

CEYLON TEA WILL FILL BOTH DEMANDS

Dismissal of Taylor. The matter of the dismissal of W. F. Taylor from the City Commission-er's Department came up when a com-munication from City Commissioner Coatsworth was read, saying that of-fice expenses had been reduced \$12 a week by the re-arrangement of the
