So far the honors have been wholly on the Jap side. Korea is now in their hands, and they have victoriously crossed the Yalu River, inflicting upon their foes a severe defeat. They have reduced the Russian eastern feet to a position of comparative impotence, and are on the eve of isolating Port Arthur, Against all this the Russians have nothing to show save the sinking of a transport and a few harmless merchanimen. On land they have done nothing at all, altho the Russians soldier during the heavy fighting of last week proved that he has lost nothing of the patient bravery which has always been ble characteristic. Leave Your Orders Here for Papering and Painting

Leave your orders for papering and painting at our Wall Paper Department. We have made arrangements to have all

papering and painting done by first-class workmen. Some painters and paper hangers may try to influence our customers to go elsewhere for paper, because we do not give rebates or discounts to any painters or paper hangers. But here you may have the advantages of the low prices made possible by our policy of selecting your wall papers, mouldings, paints, etc., from a most complete and artistic stock, and at the same time seeing about your papering and painting.

If you intend papering or painting in the near future leave

your order at once, so that arrangements can be made to get the necessary work done when you want it. Our variety of papers this season is larger and better than ever before, and the prices are exceptionally low. Come and see! Third floor.
