THE SATISFACTORY STORE

Now Is a Good Time to Buy Christmas Umbrellas

No hurrying crowds, no jostling, no crowding-you can take your time and choose carefully, if you come to our Umbrella Department now.

And our collection of Christmas Umbrellas is complete. Widest choice if you select now .- Quite the largest and most comprehensive assortment of Umbrellas shown in Western Ontario, we believe.

When you make a present of an Umbrella selected at the Satisfactory Store you can rest assured that the recipient will always feel kindly disposed toward you.

Our Umbrellas are not the kind which sport handsome handles, but have deceptivelooking coverings-the kind that look allright at first, but soon display a tendency to go to pieces and look shabby, and cause the recipient to harbor unkind thoughts towards the donor. Be sure of your store when choosing gift Umbrellas, for there are lots of these deceptive-appearing Umbrellas placed on the market 'round Christmas time.

We buy Umbrellas on the principle that they are intended as a protection against the rain - otherwise a cane would do just as well. We select the coverings first-see to it that they are made of strong, thoroughly waterproof, long-wearing materials. We choose the

handles afterwards—always with our eyes wide open for the newest and most handsome styles. And because we buy such immense quantities we are able to get prices down to the lowest notch-and the price advantages we secure we share with you, as very likely you have discovered on different occasions before today.
